SY 2026-2027 School Performance Plan

School Name 217-Belmont Elementary School **Principal Name:** Tiffany Etheridge

School's Mission:	School's Vision:
Our mission is to provide excellence in education for every child by focusing on high quality instruction, increasing student attendance, promoting a positive learning environment conducive to student learning that steers all of our scholars on the pathway to College, Careers of their choosing, and productive citizenship that will leave a lasting impact on their communities and abroad.	Every scholar will graduate from Belmont Elementary School with strong academic foundational skills; possessing the mind and habits of good character necessary to achieve in college, careers, and communities of the 21st century.

School Name 217-Belmont Elementary School **Principal Name:** Tiffany Etheridge

THIS DATA IS FOR INTERNAL USE ONLY GOAL AREA: LITERACY					
Data Point(s)	**SY2021-22 Result**	**SY2022-23 Result**	**SY2023-24 Result**	**SY2024-25 Result**	**SY2025-26 Result**
MCAP ELA Proficiency (Achievement)	<=5%	<=5%	5.7%	23.9%	15.8%
MCAP ELA Avg Performance Level (Growth)	1.58	1.69	1.68	2.04	1.88

STRATEGY: Steps for improving student literacy outcomes	1. **Utilize 9-week literacy data cycles to engage in consistent progress monitoring of Tier I instruction and ensure HQIM implementation integrity:** a. Identify metrics for progress monitoring (e.g., diagnostics and curriculum-based assessments, MCAP, English Language Proficiency). Map out progress monitoring calendar based on metrics and assessment windows (e.g., DIBELS progress monitoring data pulled every six weeks) and establish teams and meeting schedules (e.g., meet every week at 3pm). Utilize PDSA to progress monitor outcomes and adjust to ensure improvement on targeted outcomes. b. Meet at least bi-weekly and utilize a data-based decision-making protocol to identify areas for improvement 2. **Monitor reteaching and reassessing for Fundations (K-3)** for students and sections below 80% proficient. Be strategic about skills & content to re-teach. 3. **Implement the identified Tier II or Tier III program/intervention.** Utilize district-approved Tier II or Tier III program/intervention (e.g., OG+) for identified students. Intervention tracking and progress monitoring should be captured in Panorama Student Success Platform. Refer to MTSS Guidance. 4. **Prioritize Writing in Every Classroom:** Embed meaningful opportunities for students to articulate and defend thinking through writing across content areas, leveraging student work as a key measure of instructional effectiveness and academic growth analyzed regularly through academic planning or other PLC structures where direct feedback is given to students to improve their written responses. **5.** **Implement cycles of professional learning** aligning them to cyclical instructional walks, observations, and collaborative planning.

EVIDENCE: What specific data points will you use to determine if your strategy is making progress toward your SPP goal?	Fundations, Unit Test, Amplify testing, MSTAR Assessment
EQUITY CONSIDERATIONS	

School Name 217-Belmont Elementary School Principal Name: Tiffany Etheridge

THIS DATA IS FOR INTERNAL USE ONLY GOAL AREA:MATHEMATICS					
Data Point(s)	**SY2021-22 Result**	**SY2022-23 Result**	**SY2023-24 Result**	**SY2024-25 Result**	**SY2025-26 Result**
MCAP Math Proficiency (Achievement)	<=5%	<=5%	8.0%	12.6%	23.7%
MCAP Math Avg Performance Level (Growth)	1.27	1.36	1.60	1.79	1.96

STRATEGY: Steps for improving student math outcomes	1. **Utilize 9-week mathematics data cycles to engage in consistent progress monitoring of Tier I instruction and ensure HQIM implementation integrity:** a. Identify metrics for progress monitoring (e.g., diagnostics and curriculum-based assessments (K-8: Numeracy Development Framework; HS: Algebraic Reasoning), MCAP). Map out progress monitoring calendar based on metrics and assessment windows. Data cycles should occur at the end of each unit/module of study for each grade. Utilize PDSA to progress monitor outcomes and adjust to ensure improvement on targeted outcomes. b. Meet at least bi-weekly and utilize a data-based decision-making protocol to identify areas for improvement 2. **To support the internalization of lessons and units in Reveal Math, schools should use the Unit and Lesson Planning Protocols during academic planning throughout the year**. Teachers must prepare for student discourse opportunities through deliberately planned questions. Schools establish and communicate for the mathematics instructional block to ensure consistency and high-quality instruction. 3. **Implement the identified Tier II or Tier III program/intervention.** Utilize district-approved Tier II or III program/intervention (e.g, Number Worlds) for identified students. Capture intervention tracking and progress monitoring in Panorama Student Success Platform. Refer to MTSS Guidance. 4. **Implement cycles of professional learning aligned to cyclical instructional walks, observations, and collaborative planning.**
EVIDENCE: What specific data points will you use to determine if your strategy is	Reveal Math Unit Assessments & i-Ready

making progress toward your SPP goal?	
EQUITY CONSIDERATIONS	Belmont will monitor math outcomes by grade level and student group, with attention to Black/African American students, students with disabilities, economically disadvantaged students, and students performing below grade level. Equity in math means students must receive access to grade-level tasks, productive struggle, math discourse, and scaffolds that support thinking without lowering the cognitive demand.

School Name 217-Belmont Elementary School Principal Name: Tiffany Etheridge

THIS DATA IS FOR INTERNAL USE ONLY GOAL AREA: GRADUATION – Grad Rate / DIBELS					
Data Point(s)	**SY2021-22 Result**	**SY2022-23 Result**	**SY2023-24 Result**	**SY2024-25 Result**	**SY2025-26 Result**
HS: High School 4-Year Graduation Rate	n/a	n/a	n/a	n/a	n/a

STRATEGY: Steps for improving student graduation outcomes	• **K-5 DIBELS Composite % At or Above:** See Literacy strategies above. • **Grade 6-8 GPA Less Than 2.0:** Follow the "Create data cycles (PDSA)"guidance outlined in the High School Graduation section below, adapting as appropriate for middle school. • **High School Graduation:** 1. **In alignment with the City Schools Program of Study and COMAR 13A.03.02:** a. Develop school-based course offerings. b. Create a 4-year graduation plan for every student to ensure accurate course scheduling, credit attainment, assessment completion, and Service-Learning Hours (MYAP). c. Quarterly monitor progress using the On-Track-to-Graduation dashboard for potential graduates. 2. **Create data cycles (PDSA) to engage in consistent progress monitoring:** a. Establish dedicated monitoring teams and set consistent meeting schedules: i. E.g., meeting weekly at 3 p.m. 9th Grade On-Track-to-Graduate Coordinator should lead efforts to monitor and support 9th grade cohort, schools should create parallel tracking for 10th graders. b. Identify metrics and timing: ii. <u>OTG:</u> Conduct BOY review of course scheduling for 9th and 12th graders. Quarterly, review progress reports, weekly teacher grades, teacher notes, empathy interviews, and SLPs (Student Learning Plans) to monitor performance. Identify supports for students missing OTG requirements, interventions for students off grade level, and reengagement paths for inactive students with the On-Track-to-Graduation dashboard, particularly the new cohort student page. Identify appropriate interventions based on student needs, such as Tier I instructional supports, e.g., coach class, Saga math tutoring, and, when needed, advance to credit recovery. iii. **<u>CCR:</u> Use the CCR Dashboard to map out and continuously monitor SLPs for all students to ensure personalized support and planning and a viable track to one of the 4 E's (Enrollment, Employment, Enlistment, and Entrepreneurship). Check for CCR readiness by 10th grade and, if not yet ready, utilize SLPs to create plans for students off-**

	track and ensure schools are informing families on plans.
EVIDENCE: What specific data points will you use to determine if your strategy is making progress toward your SPP goal?	Fundations Unit Test, DIBELS testing, MSTAR Assessment
EQUITY CONSIDERATIONS	Belmont will monitor foundational literacy outcomes by grade level and student group, with specific attention to Black/African American students, students with disabilities, economically disadvantaged students, and students performing below benchmark. Equity requires that students who are not yet reading on grade level receive strong Tier I instruction first, along with targeted intervention that directly addresses phonemic awareness, phonics, decoding, word reading, and fluency gaps. Supports must increase access to grade-level literacy, not replace it.

School Name 217-Belmont Elementary School Principal Name: Tiffany Etheridge

THIS DATA IS FOR INTERNAL USE ONLY GOAL AREA: WHOLENESS					
Data Point(s)	**SY2021-22 Result**	**SY2022-23 Result**	**SY2023-24 Result**	**SY2024-25 Result**	**SY2025-26 Result**
Chronic Absentee Rate	76.6%	60.6%	55.6%	53.1%	60.4%

STRATEGY: Steps for improving student wholeness outcomes	1. **Implement four-week data cycles (PDSA) to consistently progress monitor attendance:** a. Attendance team (attendance reps, climate leads, Community School Coordinators, Student Wellness Support Team members, administrators) conducts weekly data reviews to identify students and groups at risk of chronic absenteeism (Panorama) or requiring additional supports (e.g., target approximately 18 reviews by the end of Semester 1). b. Identify students for targeted outreach and diligence with key reports (Consecutive Absence Report in IC; Data Cleansing Reports 12, 37, 112, and especially 63 - No Show Student List) to ensure families are re/engaged and resolve data cleansing errors. c. Develop a Pre-K family engagement plan to support positive growth in attendance, social-emotional development, and school connectedness. d. Develop and implement targeted interventions for identified students leveraging Student Learning Plans (SLPs) to determine root causes, improve student connectedness, and support attendance. e. On a monthly basis, monitor the progress and effectiveness of interventions, attendance rates, and PDSA change ideas using Infinite Campus and Panorama to assess individual and aggregate impact and inform continuous improvement. 2. **Engage families consistently to build school-family connections and belonging:** a. Leverage existing technology (i.e., IC-Parent Portal, Thrill Share, Class Dojo) and personalized strategies (e.g., SLPs, letters, home visits) to initiate, encourage, and maintain two-way communication with families and students. b. Communicate clear procedures for families to follow when their child is absent from school. Identify the best form of communication to families. 3. **Create environments to promote belonging and engagement for all students:** a. The Climate Leadership Team will develop and implement a comprehensive Climate Action Plan aligned to the four district climate domains (Nurturing Relationships, High-Quality Stakeholder Experience, Supportive Behavior Approaches, Schoolwide Norms & Routines),

	meeting regularly to progress monitor Tiers I-III supports. b. Implement identified Tier I universal supports to promote positive behavior, strong relationships, and safe inclusive learning environments. Refer to MTSS Guidance. c. Implement identified Tier II or III programs and interventions for identified students with significant/persistent behavior and/or social emotional needs. Intervention tracking and progress monitoring should be captured in Panorama Student Success Platform. Refer to MTSS Guidance.
EVIDENCE: What specific data points will you use to determine if your strategy is making progress toward your SPP goal?	Attendance reports pulled for every attendance team meeting and tracked by grade and by month.
EQUITY CONSIDERATIONS	Belmont will monitor attendance and chronic absenteeism by student group, grade level, and individual student need. Equity requires the school to identify barriers early and respond with support instead of waiting until attendance concerns become chronic. This includes attention to Black/African American students, students with disabilities, economically disadvantaged students, students below 90% attendance, and families experiencing health, food, housing, transportation, or other access barriers.
