WHAT IS A SCHOOL-FAMILY COMPACT?

A School-Family Compact is a written agreement that outlines how the school, the student, and the family will work together to ensure your student's academic success. An effective compact contains the following elements:

- Clear learning goals that are linked to the school's improvement plan
- Specific skills students will learn during the year
- Strategies that staff, families, and students will use to improve student learning
- Ways to extend learning at home
- Methods that teachers and family members will use to communicate about student progress
- Opportunities for parents/family members to observe and participate in the classroom
- Jointly developed by families, school staff, students, community business partners, and other stakeholders during our Planning Meeting
- Reviewed throughout the school year
- Revised each year

The Compact is reviewed throughout the school year through Family Engagement Events, and hard copies are available online and at the school.

DISTRICT GOALS

- Prioritize standards alignment, instructional practice, and formative assessments to improve student growth and achievement in reading and math.
- Prioritize recruiting, developing, and retaining high-quality talent to improve evidence of growth in academic leaders and teachers.
- Prioritize a positive, safe, supportive, and inclusive environment to foster schools, families, and community partners working together cohesively.

SCHOOL GOALS

- By the end of 2026–2027:
- Increase ELA proficiency from 31.6% to 40%.
- Increase math proficiency from 15.2% to 22%.
- Increase science proficiency from 15.6% to 22%.
- Decrease chronic absenteeism by 11%.

SHARED RESPONSIBILITIES FOR STUDENT ACHIEVEMENT

School Responsibility:

- Math: Teach with models and daily problem-solving. Use data for small-group support.
- Literacy: Provide explicit reading instruction, targeted intervention, and progress updates.
- STEAM: Guide investigations, design challenges, and evidence-based explanations.

Family Responsibility:

- Math: Practice facts and everyday problem-solving. Ask your child to explain.
- Literacy: Read together daily. Discuss texts and practice teacher-recommended skills.
- STEAM: Explore, build, and ask questions together. Support school projects.

The Student Will:

- Math: Use models, explain my thinking, and practice skills.
- Literacy: Read daily, discuss my reading, and complete practice.
- STEAM: Ask questions, test ideas, work with others, and explain results.

ACTIVITIES TO BUILD PARTNERSHIPS
