Avon Elementary

Leanne Scherpe, Principal
Hedding Grade School

Michelle Andrews,
Curriculum Director

November 12, 2025

Dear Parents and Guardians,

I hope this message finds you well. As we approach the winter season, I want to inform you of a potential adjustment to our school schedule that may be necessary due to inclement weather conditions. The school district is considering implementing a two-hour delay schedule on days when weather conditions could impact student and staff safety during morning commutes.

This delay schedule will allow us to monitor weather updates and ensure that roads are safe for travel, thereby prioritizing the safety and well-being of our students and staff. A two-hour delay means that all school start times will be pushed back by two hours, while dismissal times will remain unchanged.

We will provide timely notifications if a two-hour delay is implemented, using our established communication channels, including emails, text messages, and announcements on our website and local news.

We appreciate your understanding and cooperation as we navigate the winter months. If you have any questions or concerns, please do not hesitate to reach out to the school office.

Thank you for your continued support.

Sincerely,

Bill Walters
Superintendent
Abingdon-Avon School District
