Winter 2026

Two presentations and meeting were held. The presentations included: Mediation by Matthew Flynn and Transitions by Becky Platt, Massabilities and DDS

Learning

Spring 2026

In April a presentation on Early Childhood development was cancelled due lack of interest.

A resource fair was held on 4/12 which was co-sponsored with DR. This had good attendance.

Resources for all

What is Still to come:

- Continue collaborating with Superintendent as needed, Student service staff and community partners.
- We will continue to meet often with the Superintendent, the Student Services Director and staff to continue to collaborate to foster a well-balanced effort throughout the Swansea school district where the communication is seamless for any parent seeking guidance.
- Restructuring of the SEPAC due to lack of interest, participation and change in officers.
- Inviting parents to participate as a member or officer.
