Jr. High & Elementary Search Committee

This past Wednesday, 40+ search committee members met with Superintendent Holcomb and reviewed the process for the Hoyle and Jr. High Principal searches. The committee reviewed the schedule of events and worked on creating questions for round one interviews. Committee members are going to review all application packets next week and will meet the week of April 6th to determine which applicants will be brought forward for an interview. We will keep you up to date as we progress.
