

Parents: Register to view your child's activity

1. In your browser, navigate to the sign up page using the website link below:
 - a. <https://app.schoology.com/register.php?type=parent>
2. Insert the 12-digit Parent Access Code for your child in the popup window.

A screenshot of a 'Sign up for Schoology' popup window. It has a 'Back' link in the top right. Below the title is an 'Access Code' input field. Underneath the field is the text 'Enter the access code provided by your child's instructor'. At the bottom is a blue 'Continue' button.

Name:	Code:
-------	-------

3. In the next window, enter your name, email address, and password. Click Register when finished.

A screenshot of a registration form. It contains five input fields: 'Parent/Guardian First Name', 'Parent/Guardian Last Name', 'Email or Username', 'Password', and 'Confirm Password'. Below these fields is a checkbox labeled 'Subscribe me to the Schoology Exchange blog' which is checked. Below that is another checkbox labeled 'By clicking Register, you are agreeing to our Privacy Policy and Terms of Use' which is unchecked. At the bottom is a blue 'Register' button.

4. Once you log in, you'll be able to browse your child's activity.
 - a. Posts
 - b. Upcoming events
 - c. Recently completed work
 - d. Overdue work

Parents: Register to view your child's activity

5. If you have more than one child in grades 3-12, you can add them to this parent account, too. To associate additional children, click the down-facing arrow in the top right of your Schoology account, select Add Child, and enter the Parent Access Code assigned to your other child/children.

Now that you've successfully registered for Schoology to view your child(ren)'s activity, check out the [Parent Guide](#) in the Help Center: support.schoology.com
