** Days will be accumulated and carried over each year.

Long Term Substitute Pay:

Long Term assignment is considered to be working for the same teacher for 30 consecutive days or a recurring substitution totaling **more than 30 days** for that teacher and with the Superintendent’s approval. *Once a teacher reaches 30 days, the difference in pay for the first 30 days will be retroactively granted.*

The rate of pay for long term substitute will be 75% of the **State Rate for a Beginning teacher** plus \$5.00 per day if the substitute is certified **in the assignment area.**

Direct Deposit:

Direct Deposit is available by requesting the SISD Direct Deposit Authorization Form with a voided check or submitting a bank authorization form. Either needs to be signed and dated. Any changes to direct deposit information must be done **10 days** in advance of a pay day.
