Dear Families,

Here at Parma Kids, we believe that each child is unique with endless potential for growth and development. Our goal is to educate the whole child in a Christian setting. Our program desires to enhance the self-worth of children by using positive guidance techniques.

Parma Kids is a fully licensed day care center with the New York State Office of Children and Family Services (OCFS). We offer care Monday through Friday from 6 am – 6 pm for children ages 18 months to 12 yrs. old. This schedule allows families the ability to keep their work schedule consistent. Daycare outside the hours of UPK is \$10 per hour.

Our daily program includes the following:

- Breakfast and snacks
- Large and small group activities
- Outdoor activities
- Nap/rest time

Each classroom provides a child-centered environment with a wide range of materials and developmentally appropriate activities. This allows children to create, manipulate, explore, and discover according to his or her individual interests. The activities are designed to encourage children to develop socially, emotionally, cognitively, and physically at their own rate.

Feel free to stop in and visit our center any time and meet our caring and supportive staff in the office and the classrooms. We are here always to help!

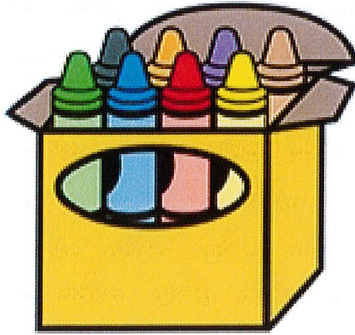

Sincerely,

Leah Curran – Center Director
