CENTRAL HIGH SCHOOL PTSA

FACULTY & STAFF GRANT APPLICATION - FALL 2026

The LRCH PTSA is accepting Fall 2026 grant requests from Central High School faculty and staff. Grant funds may be used to supplement instructional materials and academic activities, purchase equipment that will remain at Central, and support student organizations and activities. Priority will be given to requests that benefit the greatest number of students and/or support academic activities, particularly those with an ongoing or long-term impact.

All requests will be reviewed by the PTSA Grants Committee and submitted to the PTSA for approval. Funding is subject to LRSD guidelines and restrictions, including limitations on certain purchases and student travel. Funds for approved grants will be transferred to the Central High School bookkeeper for distribution.

Fall 2026 Application Deadline: Thursday, October 1, 2026, at 4:30 p.m. Completed applications may be placed in the PTSA mailbox in the LRCH Main Office or emailed to cindyq2011@gmail.com. Late applications will not be considered. Applicants will be notified after the PTSA completes its review and approval process. Spring grants may be offered if funds remain available after the fall grant cycle.

Faculty/Staff member requesting funding: _____

Email Address: _____ Phone Number: _____

Department, Group, Club, or Organization: _____

Amount requested: _____

1. Specifically, how will the grant funds be used? Please attach supporting documentation, such as quotes or estimates.
