

School supply donations should be boxed or bagged, appropriately labeled **ELEMENTARY** or **SECONDARY**.

ViPS can help organizations to determine which schools need the most support. Please email ViPS@lrzd.org or call 501.447.4450 to discuss location options prior to making any supply deliveries.

Deliveries can be made DIRECTLY to Little Rock School District schools during the week of August 4 – 8, from 9 am to 2 pm.

Please contact ViPS at 501-447-4450 or ViPS@lrzd.org so we can let them know to expect you.

Do not collect/deliver backpacks to a school until it has been confirmed the TYPE of bag a particular school allows. Some require mesh or clear packs.

(Backpacks cannot be distributed to students if they do not meet school regulations.)
