

StudentAccess Parent/Guardian Opt-Out Form

StudentAccess is a cooperative program between Johnston County Public Schools and the Public Library of Johnston County & Smithfield that allows your child's PowerSchool ID Number to serve as a limited library card at Johnston County Affiliated Libraries and to access their online resources. For full details, please visit www.pljcs.org/studentaccess.

If you want your child to participate in StudentAccess, then you do not need to do anything. Your child will automatically be enrolled.

If you do not want your child to participate, please complete this opt-out form, and return it to your child's school. Your choice to opt out of this program will be honored for the current academic year (as determined by the date you sign this form). A new form will be required for each subsequent academic year you wish to continue to opt out of this program.

Please complete a separate form for each child you wish to opt out.
