Good evening! We are pleased to let you know that Tecumseh Public Schools plans to be in session for school tomorrow. Please note that we will run as many of our bus routes on schedule tomorrow morning as we can, but, due to continued icy conditions on some roadways, some routes will be affected. If your child cannot be brought to the modified bus pickup location tomorrow morning at the specified time and misses school, please call your child's school site tomorrow to let us know. We will work with you to make sure your child can make up any missed assignments if s/he cannot make it to school due to road conditions.

We will continue to monitor road and weather conditions throughout the night and early morning hours and update you on any changes that we need to make to these plans. We are excited to see our students tomorrow morning! Thank you for supporting our schools.
