September 29, 2026

Tecumseh Parents and Guardians,

Effective today, Tecumseh Public Schools has placed Head Football Coach, Randon Lowe, on administrative leave pending the outcome of an investigation.

TPS is committed to being transparent with our families and community. We also have a legal responsibility to protect the privacy of our students and employees. That responsibility limits what we can share about personnel matters while an investigation is underway. We will provide updates as appropriate.

Assistant Coach and Assistant Athletic Director Mike Montano will lead the team at practices and at Friday night's game while this matter is ongoing.

We appreciate our community's patience and ask that everyone respect the process and the privacy of all involved.

Brandi Burks

Assistant Superintendent
Tecumseh Public Schools
