Tecumseh Public Schools Statement:

This weekend, Tecumseh Public Schools was notified by the Pottawatomie County Sheriff's Office about a month-old social media post made by a Tecumseh High School student that included threatening language and images involving weapons which were taken inside a Tecumseh High School restroom.

School administrators worked closely with the Pottawatomie County Sheriff's Office and the Tecumseh Police Department to ensure the student no longer poses a threat. Out of an abundance of caution, there will be an increased police presence at THS beginning Monday.

We take all threats to student and staff safety seriously and appreciate the quick action and partnership of both the Pottawatomie County Sheriff's Office and the Tecumseh Police Department.

If you have questions or concerns, please contact Tecumseh Public Schools administration at 405-598-2113.

Thank you for your continued trust and support of our schools.
