

# HOW CAN YOUR ITC HELP YOU?

INSTRUCTIONAL TECHNOLOGY COACH

## INSTRUCTIONAL PARTNER

### COLLABORATIVE PLANNING AND CO-TEACHING

Collaborate to design engaging lessons and thoughtfully integrate technology to support learning standards.

### INSTRUCTIONAL COACHING

Work as thought partners focused on your own goals for tech integration, student engagement, and achievement.

### DATA-DRIVEN INSTRUCTIONAL SUPPORT

Use technology tools to analyze student data, differentiate instruction, and support RtI/AIS planning.

## DIGITAL LEARNING LEADER

### PROFESSIONAL DEVELOPMENT AND SMALL/LARGE GROUP TRAININGS

Engage in learning experiences designed to support best practices in gaining instructional technology skills.

### EMERGING TECHNOLOGY AND DIGITAL WORKFLOW SUPPORT

Develop confidence in leveraging technology to improve student outcomes through personalized exploration of district learning platforms, emerging technology, and AI tools.

### STUDENT DEVICE GUIDANCE

Receive assistance on how to effectively manage and utilize 1:1 student devices to support learning outcomes.

## STUDENT LEARNING DESIGNER

### STUDENT TECHNOLOGY PROGRAMMING

Facilitate group opportunities such as Girls Who Game, DeTECHtives, Student Technology Leadership, Cinematography Studies, and other innovative technology initiatives.

### DIGITAL LITERACY/CITIZENSHIP AND AI INSTRUCTION

Guide students in developing responsible and safe technology skills for learning, communication, and collaboration.
