

Welcome to Jr. High

Dear Huskies,

Welcome to Junior High! We are excited to begin this new journey with you. Middle school is an important step in your education, filled with new opportunities, exciting challenges and valuable learning experiences.

As you start this year, you will meet new teachers, make new friends, and explore a variety of subjects that will help you discover your interests and strengths. You will have the opportunity to participate in clubs, sports and other activities that can help you grow both academically and personally.

Junior High is also a time to develop important skills such as responsibility, organization, teamwork, and problem-solving. You will learn how to manage your time, set goals and take on greater independence in your learning. Remember that making mistakes is part of the learning process, and every challenge is an opportunity to grow.

We encourage you to stay curious, ask questions and try new things. Be kind to others, work hard and believe in your abilities. Your teachers, counselors and the staff at Hillery Park are here to support you every step of the way!

We look forward to seeing all that you will accomplish this year! Together, we will make this a successful, enjoyable and memorable middle school experience!

Sincerely,

The Jr. High team!

Welcome to Jr. High
