Chorus Performance

Our students in chorus were selected to perform at the “Big Five Conference” on Thursday, October 22nd. This conference was for Superintendents, district officials, and board members from the largest districts across NYS. Our students sang beautifully and we are very proud of them. A big thank you to Ms. Peters who works very hard with our talented students and Mr. Geyer for attending to assist with the music.

Progress Reports

Progress report grades will be posted the week of October 26th. Progress grades closed on October 9th. Parents should access progress reports in the parent portal – if you do not have a login for this system yet, you can use the directions on our site to set it up. This is also where report card grades will be housed.

Be sure to frequently check parent portal as this houses all student assignment grades and their attendance. If there are assignments missing, be sure to speak with your child about the assignment so it can be completed. A missing turns into a zero for the upper grade levels.

Parent Teacher Conferences

Conferences are scheduled for the beginning of November. Depending on your child's teacher, virtual conferences will be offered on either November 6, 9, or 10 and in person conferences for all will be offered from 4:00-6:00 pm on November 12th. Your child's teacher will send out a link to use to sign up for a conference at a time that works for you. Please be sure to sign up and attend this conference as it is an opportunity to get information about your child's progress in an intimate setting. We do expect that every child has a conference.
