Golf Scramble nets \$4,000 for scholarship purposes

A four-person golf scramble was held on Saturday, August 28, at the David City Golf Course. Fifteen teams entered the 18-hole tournament, with proceeds of approximately \$4,000 benefiting the Foundation!

A reception followed with the top three teams of both flights receiving cash prizes, and flag prizes were awarded for every hole. C-K Katering provided the meal.

Please make plans to join us next year on August 21, 2011! It is

not a requirement to be a graduate of East Butler, and all skill levels are encouraged to participate!

2010 Summer Reading Program

The Foundation sponsored a summer reading program in both Brainard and Dwight, with students in preschool through sixth grade invited to attend!

Brainard's theme was "Make a Splash, READ!" Over 30 students participated in the reading program, meeting each week in June. The groups listened to high school "Star Students" read, completed a theme-related art activity, and checked out books from the school library. Teacher Sophie Hermelbracht said, "The summer reading program was a success, and the students were 'hooked' on reading!"

In Dwight, the theme was "Oceans", with 15 students attending each week. Students enjoyed completing math, graphing, and reading activities. In addition to other theme-related projects, each student made a miniature ocean (fish included) using Jell-O and then enjoyed eating it! Students also checked out books from the library.

Thank you to the following staff members for their service this summer:

Sophie Hermelbracht, Patti Romshek, Jennifer Smith, Deanna Ebmeier, Diane Svoboda, Marilyn Walla, and Teresa Pernicek.

Alumni Basketball Tournament: April 8-10

The East Butler Foundation invites alumni to participate in a fundraiser men's basketball tournament! The tournament has been developed to welcome past graduates and enjoy competitive basketball with former classmates. All proceeds from the tournament will be donated to the East Butler Foundation.

The tournament will be played April 8, 9, and 10. The double-elimination tournament will consist of teams of graduating students. The goal is to group classes together that may have played with each other during high school. The tournament will be arranged so competition is between similar graduation years.

Registration fee is \$25 per player. All participants must pay, register, and sign a waiver before playing.

You are encouraged to reserve a spot and/or direct questions to Matt Buresh at 402-369-1601 mlburesh@cablone.net
