- Volunteer service hours must be an activity that addresses a social or civic issue or a professional area of interest.
- All hours must be earned before graduation and should be submitted before the school deadline.
- Only paid work hours earned beginning July 1st, 2022 will be accepted.
- While not required for high school graduation, volunteer service hours can be used for scholarships and are required for [Florida Bright Futures Scholarships](#):

Scholarship	Volunteer Service Hours Required	Paid Work Hours Required
Florida Academic Scholarship (FAS)	100	100
Florida Medallion Scholarship (FMA)	75	100
Gold Seal CAPE (GSC)	30	100
Gold Seal Vocational (GSV)	30	100

Student Statement – I understand that:

1. It is my responsibility to maintain this Log of hours
2. I may only earn volunteer service work hours for Bright Futures in Grades 9-12
3. Volunteer service hours may NOT be earned through:
 - a. Court mandated community service
 - b. An activity in which I financially benefited from
 - c. Family related activities or service to family members (ex. babysitting, chores, etc.)
 - d. Religious activity which can be interpreted as proselytizing
 - e. Donations (ex. Lock of Love, giving blood)
 - f. Service work that earns an academic credit (unless approved through a service-learning course)
 - g. An activity where there is no supervisor on site to evaluate and confirm student performance
4. Service work earned cannot be doubled or increased in any way by any agency or school

I verify that this Log is a true and accurate record of my unpaid volunteer service work hours. By signing below, I understand that this is not the application for Bright Futures Scholarships, and that students must complete the Initial Student Florida Financial Aid Application (FFAA) during their last year of high school. I also understand that my service/work hours are only one of the requirements for Bright Futures. To find out how to qualify for a Bright Futures Scholarship, I will go to www.FloridaStudentFinancialAid.org/SSFAD/bf to review the requirements.
