

Elementary After-School Plans

GARDEN VALLEY SCHOOL

Communicate
Plan Ahead
Keep Our Kids Safe
♥

Please discuss after-school plans with your student before school whenever possible.

If plans change during the day, please notify the front office **by 2:45 p.m.**

If we do not receive a change, students will be sent home using their normal transportation method.

Students also have access to the student phone during their breaks if they need to contact a parent or guardian.

If your elementary student is staying for an after-school event, a parent or guardian must be on site at dismissal to meet them.

We cannot send elementary students to the gym, field, or another area of campus to wait for someone to arrive.

If the older sibling is participating in a practice, game, or activity, they are not considered available to supervise.

*Thank you for helping us keep dismissal
safe and running smoothly!*
