Coach Rodriguez and Coach Deinert are looking forward to another year of 5th and 6th grade volleyball. We are working on scheduling games and practices. Depending on how many girls participate, we may also set up some scrimmages. We are planning on two or three practices/games a week. We will start the last week of February through the first part of April. Game times usually start at 6pm, but can change depending on how many games we want to play.

We are not sure on practice times or locations. We will send out more information on practice and game times when we know more about the numbers. If your child would like to participate please fill out the information below. I will put the information into Remind App. to help communicate any changes to the schedule. These will be due by February 13th so we can plan accordingly.

Feel free to email Coach Rodriguez or Coach Deinert with any questions. Thanks!!
