

We Need Volunteers

For Our Fall Book Fair – November 7th

Hello everyone,
I hope everyone had an enjoyable fall break.

As many of you know, our fall book fair will be at Barnes and Noble once again and we need volunteers. Since the fair is off campus, you don't need to be on the official volunteer list to support our fair. It is going to be at the Streets of Brentwood Barnes and Noble on Saturday, November 7th.

Last spring’s book fair at Barnes and Noble was a huge success + I think everyone that participated; Students and parents / volunteers alike had a great time.

To have another successful fair, during each shift, we need at least two volunteers (x2) to sit inside the store, at a table, next to each door .Our tables will have prizes (stickers and bookmarks), plus an entry form for Laurel families to enter a drawing for a \$50 B&N gift card.

The most important task, will be to pass out small flyers, with a QR code, to any customer entering the store.
If they show the QR code upon checkout, our Library receives a portion of the sale in the form of a donation.

To simplify the volunteering process, all I need to know is which of the four shift(s) you can support. The shifts are numbered, 1 through 3. You can do more than one – see below. Simply email me with your name and the shift number(s) that you can cover. If another time frame works better for you, please let me know, as we are flexible.

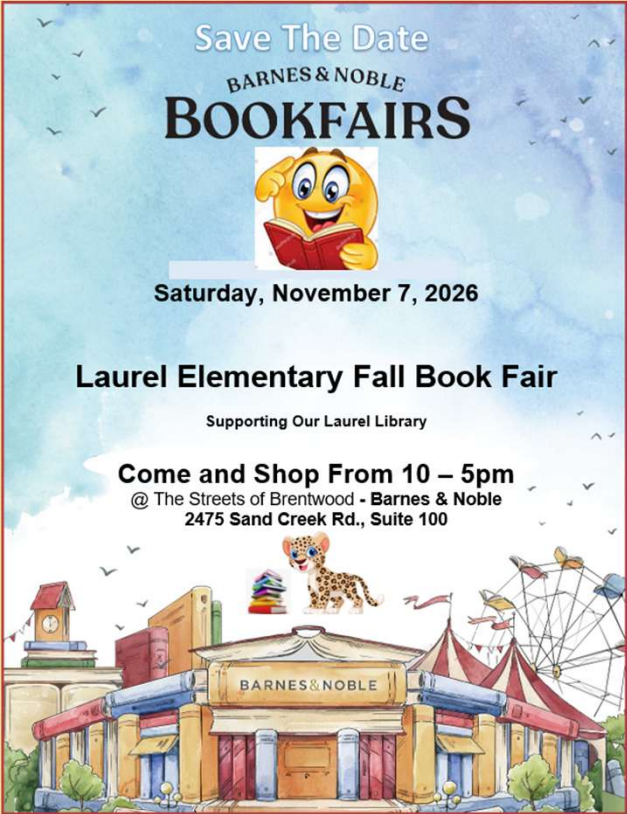

Please email me at; kbarnett@ouesd.k12.ca.us , with your choice(s), I’ll then send you a confirmation. I will also provide a copy of the schedule prior to our fair.

We understand that Saturdays can be hectic for families, so I do appreciate any time that you may be able to offer. Either way, I hope that everyone has a chance to stop by and enjoy our Fall Book Fair.

As always, I want to thank everyone for their ongoing support of Laurel's library.

We Need Volunteers

For Our Spring Book Fair

Hello everyone,

I hope everyone had a restful Spring Break.

As many of you know, our spring book fair is going to be a bit different this year, but we still need volunteers. Since the fair is off campus, you don't need to be on the official volunteer list to support our fair. It is going to be at Barnes and Noble on Saturday, April 18th.

Other schools in our district have had great fairs over the past two years at Barnes and Noble. Chip Cookie is also participating, for those that would like to enjoy a cookie as they read.

To make it a successful fair, we need two volunteers to sit inside, at a table, next to each door at the store throughout the day.

Our tables will have prizes (stickers and book marks), plus an entry form for Laurel families to enter a drawing for a \$50 B&N gift card.

The most important task, will be to pass out small flyers, with a QR code, to any customer entering the store. If they show the QR code upon checkout, our Library receives a portion of the sale in the form of a donation.

Unlike volunteering for past fairs, I'm hoping that the sheet below simplifies the volunteer process. In your reply back to me, simply add your name and then place an "X" in the time slots that you are able to cover. See the highlighted example below for "Example Smith".

Once you've added your name and marked your shift(s), email (kbarnett@ouesd.k12.ca.us) your response back to me and I'll add it to the master copy.

I don't expect much shift overlap; however, if any overlap does occur, I will reach back out ASAP . I will also provide periodic updates.

I understand that Saturdays can be hectic for families, so I do appreciate any time that you may be able to offer. Either way, I hope that everyone has a chance to stop by and enjoy our Spring Book Fair.

As always, I want to thank everyone for their ongoing support of Laurel's library.
