2022–23 LCAP Federal Addendum Certification**CDE Program Contact:**Local Agency Systems Support Office, LCAPAddendum@cde.ca.gov, 916-323-5233**Initial Application**

To receive initial funding under the Every Student Succeeds Act (ESSA), a local educational agency (LEA) must have a plan approved by the State Educational Agency on file with the State. Within California, LEAs that apply for ESSA funds for the first time are required to complete the Local Control and Accountability Plan (LCAP), the LCAP Federal Addendum Template (Addendum), and the Consolidated Application (ConApp). The LCAP, in conjunction with the Addendum and the ConApp, serve to meet the requirements of the ESSA LEA Plan.

In order to initially apply for funds, the LEA must certify that the current LCAP has been approved by the local governing board or governing body of the LEA. As part of this certification, the LEA agrees to submit the LCAP Federal Addendum, that has been approved by the local governing board or governing body of the LEA, to the California Department of Education (CDE) and acknowledges that the LEA agrees to work with the CDE to ensure that the Addendum addresses all required provisions of the ESSA programs for which they are applying for federal education funds.

Returning Application

If the LEA certified a prior year LCAP Federal Addendum Certification data collection form in the Consolidated Application and Reporting System, then the LEA may use in this form the same original approval or adoption date used in the prior year form.

MEMORANDUM OF UNDERSTANDING

Parties

This Memorandum of Understanding is entered into by Mindful Life Project, located at 1001 Canal Blvd. Suite A, Richmond, CA, 94804 and Delta Vista Middle School in Oakley Unified School District.

Purpose

The intent of this Memorandum of Understanding is to outline the terms and conditions as they relate to the partnership between Mindful Life Project and Delta Vista Middle School Elementary School. Mindful Life has been given permission to provide mindfulness based social-emotional programming and training to school staff, students and families.

Mindful Life Project will provide the following services to Delta Vista Middle School:

Responsibilities

Mindful Life Project responsibilities are to provide the following services:

Mindful Community (August 2022-May 2023)

Whole class mindfulness programming is facilitated once a week for 25 minutes for each class within a partner school. Using age appropriate curriculum, the lessons are taught by an MLP Coach that is designated to the school. Each lesson is designed with a lens of cultural competency and incorporates relevant experiences our students are having.

Rise Up (August 2022-May 2023)

The MLP Coach will work with students grades 6-8 in small groups of 8 twice a week for 45 minutes to weave mindfulness into expressive arts, yoga, and performing arts. Five students are considered high-need and three students are considered leaders. The purpose is to create cohesive non judgemental teams that can work together to learn and achieve together.

Teacher Sessions (August 2022-May 2023)

The MLP Coach will provide weekly mindfulness for teachers that supports their personal wellbeing. Supporting educators throughout the year is critical to ensure that they are able to sustain showing up for not only their students but for the community as a whole. The MLP Coach will support whole staff meetings on a monthly basis as well as weekly offerings of mindfulness for personal wellbeing, focusing on tools and resources that they can integrate into their lives and into the classroom.

Family Sessions (August 2022-May 2023)

The MLP Coach will provide family sessions once a week to support the building of mindfulness practices for parents and guardians. As our families continue to grapple with the challenges of the pandemic, many caregivers experience high levels of stress and anxiety. MLP will provide

tools and resources to support them with their day to day experiences and find ways to integrate mindfulness into their regular schedule.

Hours worked weekly:

MLP Coaches work 8-4:00 Monday-Friday, for a total of 40 hours a week during the school year.

Trainings:

MLP Coaches receive 3 weeks of mandatory onboarding training and become certified to teach MLP curriculum. These trainings include the following:

- MLP Mindful Community curriculum for grades TK-2, 3-5, 6-8
- MLP Rise Up curriculum for Expressive Arts, Movement, and Performing Art
- Classroom Management
- Trauma informed best practices
- Mandated reporter training

*Additional trainings and coaching happens throughout the year for all MLP Coaches.

Meetings:

MLP Coaches meet virtually every week with their Impact Specialist and team of 8 and for 1 hour on Tuesdays. MLP also has a quarterly in person whole team meeting for the opportunity to connect and communicate org wide information.

Direct Service Programming Cost:

5 days a week of an MLP coach for the whole school year.

**OAKLEY UNION ELEMENTARY SCHOOL DISTRICT
BOARD OF TRUSTEES**

In the Matter of ADOPTING THE “GANN” LIMIT

RESOLUTION #2022-23:06

WHEREAS, in November of 1979, the California electorate did adopt Proposition 4, commonly called the Gann Amendment, which added Article XIII-B to the California Constitution; and,

WHEREAS, the provisions of that Article establish maximum appropriation limitations, commonly called “Gann Limits,” for public agencies, including school districts; and,

WHEREAS, the Oakley Union Elementary School District must establish a revised Gann limit for the 2021-22 fiscal year and a projected Gann Limit for the 2022-23 fiscal year in accordance with the provisions of Article XIII-B and applicable statutory law;

NOW, THEREFORE, BE IT RESOLVED that the Oakley Union Elementary School District does provide public notice that the attached calculations and documentation of the Gann Limits for the 2021-2022 and 2022-2023 fiscal years are made in accordance with applicable constitutional and statutory law;

AND BE IT FURTHER RESOLVED that the Oakley Union Elementary School District does hereby declare that the appropriations in the Budget for the 2021-22 and 2022-23 fiscal years do not exceed the limitations imposed by Proposition 4;

AND BE IT FURTHER RESOLVED that the Superintendent provides copies of this resolution along with the appropriate attachments to interested citizens of this district.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

PASSED AND ADOPTED by the Board of Trustees of the Oakley Union Elementary School District at a regularly held meeting on September 7, 2022 by the following vote:

RE: Appropriation Limits

Attached for your review and approval are the Appropriation Limits calculation worksheets. The calculations are prepared and adopted each year and have no outcome on future revenues received by our district. This calculation also known as the Gann Limit has become purely academic considering recent reductions to education. However, Proposition 4 which passed in 1979 amended the State Constitution and requires state and local entities to annually prepare a calculation that limits spending to changes in inflation. Most districts including Oakley will not have difficulty in meeting their spending limit.

Please note that the amount on page three, line D. 10 is zero and will require no formal adjustments reported to the State.

Oakley, CA 94561

Dear Superintendent Palmquist:

The Contra Costa County Office of Education has reviewed the District's Negotiated Salary Settlement Disclosure documents that provide the details for the tentative agreement with the district's California School Employees Association (CSEA) bargaining unit for fiscal years 2021-22 and 2022-23.

The AB 1200 disclosure documents indicate the district will be able to provide the funding for a 1% increase to the salary schedule (plus statutory benefits) effective July 1, 2021, the 3.0% one-time payment for fiscal year 2021-22, and a 5% increase to the salary schedule (plus statutory benefits) effective July 1, 2022. Based on the analysis of the district's disclosure documents, this settlement will cost the district \$487,850.

Based on the district's multi-year projection, the CCCOE concurs with the district's certification that the district can afford this salary settlement. If the district's projected ADA and Revenue Assumptions come in lower than expected, the district may need a plan to address any deficit. We encourage the district to be prudent in its spending and mindful that any further negotiated settlements could cause the district to look at implementing additional reductions.

We want to thank the CBO and staff for the submission of a concise and complete disclosure packet for our review. If you have any questions, please feel free to contact me at 925-942-3418.

Sincerely,

Denise Porterfield, Deputy Superintendent
