INTERDISTRICT TRANSFER STUDENT CONTRACT

Pursuant to the provisions of Board Policy 5117, my child has been granted the privilege to attend a District school by virtue of an agreement between _____ School District and Oakley Union Elementary School District. I understand and agree that my child may continue attending Oakley Union Elementary Schools only under the following conditions:

1. My child does not engage in any student misconduct, including, but not limited to, the violation of law, school rule or school directives, whether or not such misconduct constitutes a violation of Education Code section 48900, et seq.
2. My child maintains a satisfactory record of attendance, including timely attendance.
3. My child makes an effort to maintain appropriate grades.

4. My child's attendance does not violate class size limits as determined by the Administrative Regulations.
5. My child's attendance does not displace a resident student in light of class size limitations or other considerations.
6. My child's attendance does not require the addition of a special program, service or class which would constitute a fundamental change in the delivery of student services.
7. I arrange for my child to be picked up from school at dismissal time unless he or she is under the direct supervision of a teacher for a specified reason (athletics, band, etc.).
8. I provide adequate supervision or childcare before or after school.
9. I comply with reasonable requests by the District.

I understand and agree that it is my responsibility to provide transportation for my child to and from school. I understand and agree that my child is to be picked up from school **immediately following dismissal** unless under the direct supervision of a teacher for a specified reason (athletics, band, etc.). Failure to consistently pick up your child in a timely manner may be cause for revocation of your transfer.

I understand and agree that the District may place my child at a particular school or in a particular class within the District at its discretion, and that the District may make this placement after consideration of availability of space in a class or at a school. I further understand and agree that the District may change this initial placement as concerns regarding availability of space change. I specifically understand and agree that the District faces certain limits upon class size, and that my child will not be permitted to displace a student residing within the District.

I understand and agree that I provided certain information to the District to aid in its evaluation of my interdistrict transfer agreement and that I did so voluntarily after providing my express consent. I understand and agree that I must renew my interdistrict transfer agreement annually.

I understand and agree that the failure of me or my child to abide and follow these conditions on a daily basis may result in the unilateral rescission of the interdistrict transfer permit and the necessity of my child attending school in the district of residence.
