District CAASPP Highlights

ELPAC

We have more students scoring on level 3 and level 4 compared to the county and state.
More Level 4 ELPAC scores mean more reclassifications

English Language Arts

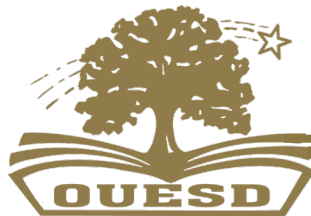

Number students who met or exceeded standards: 0.54% increase for 3rd grade, 1.5%, increase for 6th grade, and 0.79% increase 8th grade.

Mathematics

For 6th grade there is a 2.85% increase in number of students who met or exceeded

Science

Number students who met or exceeded standards: 1.4% increase for 8th grade

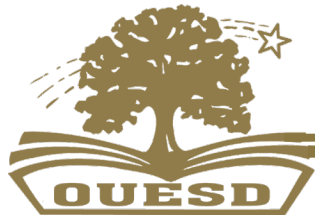

District CAASPP Areas For Growth

English Language Arts

Overall decline with decreases in half the district's grade-levels. 4th grade decrease by 1.38, 5th grade decrease by 6.21, and 7th grade decrease by 4.46.

Mathematics

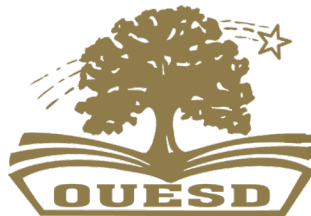

4th grade decrease by 3.04 and 5th grade 4.80.
