Mrs Calhoun

Mrs. Calhoun has been teaching for thirty one years She's taught from first grade to high school freshman. She has taught elementary art, JH Special ED, 1st, 4th, 5th, 6th grade social studies and technology, 7th and 8th grade science, and freshman computer foundations. Her favorite memory over the years is when she taught sixth grade-- the class was doing a Huckleberry Finn project, they spent the day pretending to be Huckleberry or the girl from his story. When asked about her retirement at the end of the semester she said she felt okay, but has a feeling she will still wake up to her alarm as if she's getting ready for school.

UN SALUDO DEL PERSONAL

Señora Calhoun

La Sra. Calhoun lleva treinta y un años enseñando. Ha impartido clases desde primer grado hasta el primer año de bachillerato. Ha enseñado arte en primaria, educación especial en secundaria, estudios sociales y tecnologia en primero, cuarto, quinto y sexto grado, ciencias en séptimo y octavo grado, y fundamentos de informática para el primer año de bachillerato. Su recuerdo favorito de todos estos años es cuando impartió clases en sexto grado: la clase estaba trabajando en un proyecto sobre Huckleberry Finn y pasaron el dia fingiendo ser Huckleberry o la niña del cuento. Cuando le preguntaron sobre su jubilación al final del semestre, dijo que se sentia bien, pero que tenia la sensación de que aún se despertaria con el despertador como si se estuviera preparando para ir a la escuela.
