THE ONLY CAMPUS OF ITS KIND IN WISCONSIN,

the KMHS Campus offers students the opportunity to study through their lens in an award-winning academic environment that prepares them for the future.

KETTLE MORAINE HIGH SCHOOL

KMHS offers an incredible array of classes exposing students to a multitude of career paths in IT, culinary arts, science, mathematics, construction, architecture, film, graphic design, programming, English, education and more. Students also have opportunities for dual enrollment and place-based learning through strong partnerships with Generac, WCTC, Farris Automated Systems, and UW System Schools.

HIGH SCHOOL OF HEALTH SCIENCES

High School of Health Sciences (HS^2) is a public charter school serving students in grades nine through 12 with an established class size of 50 students per grade. HS^2 partners with ProHealth Care, Lake Country Fire & Rescue, Aurora Medical Center - Summit and the Medical College of Wisconsin to provide hands-on experience and outreach for students, allowing the district to directly meet the needs of area business partners. Students in HS^2 learn through immersive environments where they are introduced to diverse career pathways and professionals in the world of health care.

KETTLE MORAINE GLOBAL SCHOOL FOR GLOBAL LEADERSHIP AND INNOVATION

The mission of KM Global School for Global Leadership and Innovation is to empower students to develop and use their unique potential to contribute to their local and global communities through the domains of career exploration, leadership, and global perspectives. KM Global focuses on preparing students to be leaders who MAKE AN IMPACT on their community. Through an interdisciplinary, inquiry-based learning approach with exposure to career exploration through field experience and internships, students receive a well-rounded education preparing them for success in a competitive global environment.

KETTLE MORAINE SCHOOL FOR ARTS AND PERFORMANCE

Kettle Moraine School for Arts and Performance is a comprehensive, four-year, college-preparatory school designed for students with interests or strengths in the arts. KM Perform's mission is to advance artistry, academic achievement, and responsible leadership. KM Perform students take college prep courses while engaging in seminars and projects that showcase and build on their creative strengths. KM Perform students are prepared to succeed in diverse career pathways after high school.

KM CONNECT VIRTUAL ACADEMY FOR COMMUNICATION AND COLLABORATION

KM Connect is a public school for students in grades 6 through 12, offering a flexible learning experience. With both synchronous and asynchronous courses, students can tailor their schedules to fit their individual and family needs, much like a collegiate model. Whether attending live virtual classes or completing work on their own time, KM Connect provides a dynamic, student-centered approach to education. All courses use Communication Arts as a lens for academics. Collegiate daily scheduling allows flexibility for students and families. A great choice for families and students with health concerns or other circumstances that require virtual learning.
