Thanks to your donations, since 2006 the Wild Rose Alumni have provided over \$43,000 in scholarships for further education for graduates and students of WRHS. The first requirement to receive a scholarship is "There must be a need." This year we gave 4 College or University scholarships, 2 Tech School scholarships, and 2 summer camp scholarships for helping a student learn more about a field that they are interested in. We feel that these scholarships are a good investment and we are simply grateful for all donations we receive.
