Big Horn County School District #1

Website Accessibility Statement

Our Commitment to Accessibility

Big Horn County School District #1 is committed to ensuring that our website and digital resources are accessible to all individuals, including students, parents, staff, and community members with disabilities.

In keeping with our mission of *Preparing each student to successfully live and contribute in an ever-changing world*, we believe everyone should have equitable access to district information, programs, and services.

We are continually working to improve the accessibility and usability of our digital content and strive to meet the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standards.

Reporting an Accessibility Concern

If you experience difficulty accessing information, documents, or features on our website or other district digital platforms, please contact us. We welcome your feedback and are committed to helping you obtain the information or services you need.

Contact Information

Big Horn County School District #1
District Office
99 South Division
Cowley, WY 82420
Phone: (307) 548-2254
Email: rbitton@bighorn1.com

When reporting an accessibility concern, please provide, if possible:

- The website page, document, or digital resource where you experienced the difficulty.
- A brief description of the accessibility barrier.
- The technology or browser you were using, if relevant.
- Your preferred method of contact so we can respond and assist you.

Our Response and Assistance

When we receive an accessibility concern, district personnel will review the issue, determine appropriate corrective actions, and work to resolve the barrier as promptly as reasonably possible.

While an accessibility issue is being addressed, we will work with individuals to provide the requested information or service through an alternative accessible method. This may include providing documents in an alternative format, offering assistance by telephone, or arranging other appropriate accommodations.

Our goal is to ensure that accessibility barriers do not prevent individuals from obtaining important district information or participating in district programs and services.

Third-Party Digital Resources

Some district websites and resources may include links to third-party websites, applications, or services. Although these resources may be operated by outside organizations, we encourage individuals to report accessibility concerns encountered while using district-provided digital resources. We will work with the individual and, when appropriate, the service provider to address the concern or identify an accessible alternative.

Ongoing Accessibility Improvements

Digital accessibility is an ongoing responsibility. Big Horn County School District #1 is committed to reviewing its digital resources, improving accessibility practices, and addressing identified barriers as technology and accessibility standards evolve.

We appreciate your feedback and assistance as we work to make our digital resources accessible to everyone.
