

2026-2027 LOOSE LEAF COLLECTION

This season's loose leaf collection runs from November 2, 2026 through February 5, 2027. Crews will cycle through the collection routes several times during that period on a designated schedule. Please read the instructions below to ensure your leaves get picked up.

- Find your area on the map and collection calendar
- Pile leaves at the curb on the *first morning* of designated collection windows
- Piles should contain only leaves – other waste can damage our equipment
- Crews will not collect leaf piles containing garbage, sticks, rocks, etc.

Note: Holidays affect the collection schedule in some weeks. All efforts have been made to ensure each area of the city gets equal attention.

Year-round Yard Waste Collection

Outside of loose leaf collection season, city crews will collect yard waste weekly. The city will not collect debris generated by contractors. Homeowners are responsible for ensuring that waste gets disposed of properly.

Yard Waste Guidelines

- Pile yard waste neatly at the curb or edge of the street for weekly collection
- Grass, small hedge trimmings, and leaves (outside leaf season) should be placed in lawn bags with a capacity of 39 gallons or less
- Limbs must be no more than six inches in diameter, cut to six feet or shorter in length, and stacked neatly with cut ends pointing in the same direction
- City crews will not collect soil, sod, and other excavated material
- Limit brush and limbs to the equivalent of one pickup truck load or less per week (See the chart below for specific measurements)
