Dear Icahn Charter Schools Families,

We are excited to share an important update for the 2026–2027 school year. Beginning in September 2026, all Icahn Charter Schools will adopt a standardized student uniform across all seven campuses.

As network leadership, we made this decision thoughtfully and with our students' best interests at the center. School uniforms help strengthen school culture, support academic focus, and build a shared sense of belonging and pride within the school community.

When we introduced the new uniform to students across the network, their reactions were overwhelmingly positive. Students shared that they felt proud, polished, and confident. One student even shared that he felt "prestigious."

Icahn Charter Schools is one of the highest performing charter school networks in New York City and the Bronx. Our students achieve extraordinary outcomes, and we want every part of their school experience to reflect the excellence, discipline, and pride that define the Icahn community.

What This Means for Families

Beginning in September 2026, all students will be required to wear the official Icahn Charter School uniform purchased through our designated school vendor.

We recognize this is a change from previous years, when families could purchase uniforms from various retailers as long as the colors matched school guidelines. We appreciated that flexibility and understand that this transition will require advance planning.

Uniforms may be purchased online at <https://www.globalschoolwear.com/school/ICAH01> using **school code ICAH01**. Families are also encouraged to sign up for promotional emails at www.globalschoolwear.com/emailsignup to receive information about sales and discounts.

Please note that the uniform policy will be enforced beginning in September 2026 in accordance with the Student and Family Handbook. Our schools will work closely with families to support a smooth transition.

Thank you for your continued partnership and support. We are proud of every student across the Icahn network and look forward to seeing our students begin the new school year with pride and confidence.

With gratitude,

Icahn Charter Schools Network Leadership Team
