***As we welcome the month of November, our iCare value of focus is Gratitude.***

***This month, we encourage our students to reflect on the people, experiences, and everyday moments that make a positive difference in their lives. Gratitude reminds us to appreciate what we have, recognize the kindness of others, and express our thankfulness through both words and actions.***

***At home and in school, we can model gratitude by saying, "Thank you," showing appreciation for others, lending a helping hand, and taking time to recognize the good around us. Even the smallest acts of kindness can make a meaningful difference!***
