	30	Wishing our Icahn 4 families a safe & joyful Thanksgiving! As we gather in gratitude, we also recognize November as Native American Heritage Month, a time to recognize Indigenous cultures and their lasting contributions. Did you know, long before the Bronx became the borough we know today, it was home to Lenape communities. This Thanksgiving, we celebrate the many cultures that make our Bronx community special while honoring the Indigenous peoples whose history and heritage remain part of our story.		November brings crisp air, cozy moments, and time to give thanks. Join us for our "Gratitude Challenge" this month. Each day, take a moment to reflect on something you're thankful for. Let's make space for gratitude and connection all month long!
