Public Safety Committee Brief
July 12, 2022

- Andrew D. Myers was sworn in as an officer and will start his academy training at Clark State's basic academy August 1st.
- LPD conducted a send off luncheon for the Madison County Tigers Special Olympics team for the state games, in conjunction with the LE Torch Run into London from OPOTA.
- We completed the annual London Cobra Show with traffic control for the event, as well as the Strawberry Festival and July 4th parade. A donation from the Ohio Cobra Club for $6,000 was received during the Cobra event.
- We are looking to change providers for our cruiser and bodycam systems, with a proposal to the finance committee for funding just recently submitted. The change is necessitated due to the lack of availability of body cameras from our current provider. A detailed report was sent to the administration and the finance committee. We are awaiting authorization from finance to obtain a marked cruiser for this year, as well as working on replacing 4 tasers.
- We would support the plan that future festivals held downtown be held off of the state routes. This is suggested by the street department and would eliminate several safety issues, primarily due to rerouting truck traffic off the state routes.
