***Public Safety Committee Brief***
***May 10, 2022***

- Ch. Nicol attended the 2022 Annual Chief's In-Service/Conference conducted by the OACP held in Columbus.
- Grant application was submitted for a retention program under the ARP funds administered by the Office of Criminal Justice. No cost to the city. Notice of award should be made by the end of the month.
- We will be looking into further grant funding and considering applicable projects with current open solicitations through the OCJS. The finance committee approved applying if valid projects were identified. These projects would not be funded until 2023, with the project period being one year.
- Required CPT training will be held later in May at City Hall commons for all county agencies.
- We recently had one night shift with multiple dispatchers unavailable and utilized the MCSO dispatch center for handling our phones that shift. They recently set up their phone system to enable direct transfers from our PD, as well as West Jeff PD. The system worked without any major issues.
- We participated in the following events/details over the past few weeks:
    - OVI Checkpoint on Lafayette St with OSP/MCSO
    - Autism Awareness First Responders Volleyball Match with MCDD
    - London Marathon & 5K traffic control
    - FUMC Semi Annual Dinner traffic control
    - London Schools building safety drills
    - Town Hall Meeting for the previous city tax levy

NOTABLE INCIDENTS:

Assisted OSP on a pursuit and apprehension that involved a wanted individual from Franklin County on May 4 at appx. 7:15am. The suspect fled on SR56 into the city and left on US 42 east where he was apprehended without incident after he got stuck in a ditch.

A 16 yoa male was seriously injured after being struck by a vehicle on S Main St at Center St on May 9th at appx. 9:30pm. The crash remains under investigation at this time by LPD.
