Safety Service Committee

City Hall Conference Room
20 S. Walnut Street

July 14, 2020

Committee members present: Chairman Rich Hays, Andrew Hitt and Carla Blazier

City representatives in attendance: Police Chief, Glenn Nicol; Fire/EMS Chief, Todd Eades; Mayor, Patrick Closser; Safety Service Director, Joseph Mosier and Executive Assistant, Amy Rees

Mr. Hays called the meeting to order at 6:04pm.

The minutes of the June 9, 2020 meeting were approved as written.

Chief Nicol - Report attached.
Additional items:

- A suspect wanted for a recent stabbing is still at-large.
- Assisted Plain City PD in a pursuit that resulted in the capture of a suspect.

Chief Eades - Report attached.

Safety Service Director Comments

- The building opened to the public on June 8. Plexiglass barriers were installed in departments that interact with the public. Due to the upcoming tax deadline, the traffic in the building has increased.
- Developers are still interested in building homes in the city. The Wallick Communities development is filling up.
- Mr. Hays asked about the weeds on downtown sidewalks. Mayor Closser stated that it was the business/building owners' responsibility to maintain sidewalks. Mr. Hays stated that he will draft legislation to enforce the maintenance of weeds on city sidewalks.

Old Business

- Contractor Legislation – no action.

New Business

- An annexation, passed in 1974, was filed incorrectly with the County. Legislation will be presented to City Council to correct the error. Mr. Hays will sponsor the legislation for City Council's consideration.

The next Safety Service Committee meeting will take place on August 11, 2020 at 6:00pm in the City Hall conference room.

The meeting adjourned at 7:32pm.

Respectfully submitted by:
Amy Rees

Public Safety Committee Meeting
July 14, 2020

- Hunter K. Carty, 21, was sworn in as our newest officer and started the 134th basic class at the Columbus Police Academy on the 13th. His hiring has filled all sworn positions in the department.
- We are in the process of procuring gas masks for our agency and MCSO as we have been authorized a reimbursement from the county prosecutor's drug fund.
- Cruiser 18, with 7700 miles was repaired with a new transmission installation due to failure of a torque converter while under warranty. It was down for several weeks due to a lack of available parts.
- We found the state grant for reimbursement of body armor was better than the usual federal program. A grant request was submitted and we were awarded $6122 for the purchase of 8 vests. We only pay the additional 25% of the total cost.
- We received a $2,500 donation from the Cobra Club at an event held in Columbus.
- We are in the process of selecting an officer to be assigned as a detective to replace Sgt. Cooper on the MCMC task force.
- Attended the Dairy Queen grand opening and received a donation from the owners to our association's Shop w/a Cop.
- An increase in our app download continues to 2723 current users.
- STATS: Calls for Service are down from last year by 10% so far, with the COVID response accountable for drops in many categories, such as traffic stops, thefts, trespassing and warrant service some of the most notable. Incident Reports dropped 25% from last year, due to the quarantined public and restricted business.
