NOW THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF LONDON, STATE OF OHIO

SECTION 1.

This Council hereby establishes each of the following Incentive Districts: London Gateway Incentive District A, London Gateway Incentive District B, London Gateway Incentive District C, London Gateway Incentive District D, London Gateway Incentive District E, London Gateway Incentive District F, London Gateway Incentive District G, London Gateway Incentive District H, London Gateway Incentive District I, London Gateway Incentive District J, London Gateway Incentive District K, London Gateway Incentive District L, London Gateway Incentive District M, London Gateway Incentive District N, London Gateway Incentive District O, London Gateway Incentive District P, London Gateway Incentive District Q, London Gateway Incentive District R, London Gateway Incentive District S. The Incentive Districts consist of one or more Parcels comprising the Property. The boundaries of each Incentive District are depicted and further described on Exhibit A hereto and incorporated herein.

Pursuant to R.C. Section 5709.40(C), this Council finds and determines that it is in the best interest of the City to declare the increase in the assessed value of each Parcel comprising the Property within each Incentive District after the effective date of this Ordinance (the “Improvements”) to be a public purpose and to authorize an exemption from real property taxation equal to one hundred percent (100%) of such Improvement (the “TIF Exemptions”). The TIF Exemption shall commence, with respect to each Incentive District, on the earlier of (i) the first tax year following the effective date of this Ordinance for which Improvements attributable to the construction of one or more structures collectively totaling at least \$1,000,000 in assessed value (e.g., 35% of true value) first appear on the tax list and duplicate of real and public utility property within the boundaries of each Incentive District, or (ii) tax year 2034 (each, with respect to each individual Incentive District, a “Commencement Date”). The TIF Exemption shall end, with respect to each Incentive District, on the earlier of (i) thirty (30) years after the Commencement Date, or (ii) the date on which the Public Infrastructure Improvements are paid in full and the City can no longer require Service Payments from the Owners, all in accordance with the requirements of the TIF Statutes.

Ordinance No. _____ Passed _____, 20____

For the purposes of clarity, the City shall have the right but not the obligation, in its sole discretion, to terminate the TIF Exemption associated with each Incentive District at an earlier date after the Developer confirms in writing to the City, not to be unreasonably withheld by the Developer upon request for verification by the City, that it has received full payment of the Developer Reimbursement Amount (as defined below) if any is required pursuant to the terms of the TIF Agreement.

The Public Infrastructure Improvements described in Exhibit C hereto made, to be made, or in the process of being made are hereby designated as public infrastructure improvements that benefit or serve, or once made will benefit or serve, the Incentive Districts. As required by R.C. Section 5709.40(C)(3)(a), this Council hereby determines that the Project will place additional demand on the Public Infrastructure Improvements to be located at the Property and within the Incentive District.

SECTION 2.

Pursuant to R.C. Section 5709.42, this Council directs and requires each Owner of each Parcel comprising the Property included within the Incentive Districts to make annual service payments in lieu of real property taxes with respect to the Improvements allocable to each Parcel to the County Treasurer on or before the final dates for payment of real property taxes. Service payments in lieu of taxes, including any penalties and interest at the then current rate established under R.C. Sections 323.121 and R.C. 5703.47, will be charged and collected in the same manner and in the same amount as the real property taxes that would have been charged and payable against the Improvements if it were not subject to the TIF Exemption authorized by this Ordinance. Such service payments in lieu of taxes, penalties and interest, and any other payments with respect to Improvements that are received by the County Treasurer in connection with the reduction required by R.C. Sections 319.302, 321.24, 323.152 and 323.156, as the same may be amended from time to time, or any successor provisions, as the same may be amended from time to time (the "Property Tax Rollback Payments," and together with the service payments in lieu of taxes and penalties and interest described above, the "Service Payments"), will be allocated and distributed in accordance with Section 4 of this Ordinance. No Owner shall, under any circumstances, be required for any tax year to both pay Service Payments with respect to an Improvement and reimburse local taxing authorities for the amount of real property taxes that would have been payable to local taxing authorities had the Improvement not been exempted from taxation pursuant to this Ordinance.

SECTION 3.

This Council hereby establishes, pursuant to and in accordance with the provisions of the TIF Statutes, the London Gateway Incentive District TIF Fund into which the City shall deposit all Service Payments collected with respect to the Property and received from the County Treasurer. Within the London Gateway Incentive District TIF Fund, the City Auditor is hereby authorized to establish one or more accounts or sub-accounts associated with the applicable Incentive Districts, as may be required from time to time in the sole discretion of the City Auditor.

The City, in its sole discretion, may utilize Service Payments deposited into the London Gateway Incentive District TIF Fund and its associated accounts and sub-accounts for the purposes authorized by the TIF Statutes, this Ordinance, and other generally applicable Ohio law, including, but not limited to, paying costs of the Public Infrastructure Improvements in a manner consistent with the TIF Agreement. The London Gateway Incentive District TIF Fund shall exist so long as Service Payments are collected and used for the purposes described above, after which the London Gateway Incentive District TIF Fund and its associated accounts and sub-accounts are to be dissolved and any surplus

Ordinance No. _____ Passed _____, 20____

funds remaining in the London Gateway Incentive District TIF Fund shall be transferred to the City’s general fund, all as set forth under R.C. Section 5709.43.

SECTION 4.

At the same time and in the same manner as real property tax distributions, the City requests that the County Treasurer distribute the Service Payments applicable to the Incentive Districts as follows:

FIRST, to the appropriate taxing authorities the portion of the Service Payments that represent payments required under R.C. 5709.40(F), as required by the County Treasurer pursuant to R.C. Section 5709.43(C); and

SECOND, to each of the School Districts the amount of the real property taxes that would have been payable to each of the School Districts if the Improvements had not been exempted from taxation pursuant to this Ordinance; and

THIRD, the remainder to the City for deposit into the London Gateway Incentive District TIF Fund.

The City shall then use the Service Payments for such uses as may be identified and approved by the City from time to time, as follows:

[FIRST, if applicable, to make any compensation payments required under R.C. Section 5709.40(E); and]

SECOND, to the Developer, to reimburse the Developer for all remaining costs associated with the Public Infrastructure Improvements constructed by, or on behalf of, the Developer until the Developer’s expenses plus applicable interest, if any, have been reimbursed in full (the “Developer Reimbursement Amount”), all on the terms and conditions further provided in and described by the TIF Agreement; and

THIRD, payment of the costs of any Public Infrastructure Improvements defined by R.C. Section 5709.40(A)(8) and selected in the sole discretion of the City, made, to be made, or in the process of being made that benefit or serve, or, once made, will benefit or serve the Parcels of the Property included within the Incentive District, all as authorized under Ohio Revised Code Section 5709.40 and more particularly defined by Exhibit B attached hereto and incorporated herein; and

FOURTH, for any other lawful purpose pursuant to this Ordinance, the TIF Statutes, its related laws and rules, and other generally applicable Ohio law.

SECTION 5.

This Council hereby approves the TIF Agreement to be executed by and among the City and the Developer in substantially the form attached hereto as Exhibit C and incorporated herein. The City Mayor and the City Auditor, together with their designees, are hereby authorized to execute and deliver the TIF Agreement with such changes as are not inconsistent with this Ordinance and as are not materially adverse to the City as may be approved by the City Mayor, which such approval shall be evidenced conclusively by the execution of the TIF Agreement by the City Mayor. The City Mayor and the City Auditor, together with their designees, are authorized and directed to sign any other agreement, document, instrument, amendment, or certificate and to take such actions as are necessary or appropriate to consummate or implement the transactions described in or contemplated by this Ordinance and the TIF Agreement.

Ordinance No. _____ Passed _____, 20____

SECTION 6.

Council further authorizes and directs the City Mayor and the City Auditor, or their designees, and other appropriate officers of the City to: (i) make such arrangements as are necessary and proper for the collection of Service Payments from the Owners of any of the Parcels comprising the Property and included within the Incentive Districts, (ii) facilitate the payment of the Service Payments from the County Treasurer to the City for deposit into the London Gateway Incentive District TIF Fund, (iii) prepare and sign all agreements, documents, instruments, amendments, or certificates as may be necessary to implement this Ordinance from time to time, including, but not limited to, any applications for real property tax exemption and remission (Form DTE-24) that may be required with respect to the Incentive Districts, and (iv) take all other actions as may be appropriate to implement this Ordinance.

For the avoidance of doubt, R.C. Section 5709.911 shall govern the priority status of the TIF Exemptions authorized pursuant to this Ordinance. Pursuant to R.C. 5709.40(C) and 5709.911, the City intends to apply for the TIF Exemption authorized pursuant to this Ordinance.

SECTION 7.

Pursuant to R.C. Section 5709.40(I), the City Mayor and the City Auditor, together with their designees, are authorized and directed to deliver a copy of this Ordinance to the Director of the Ohio Department of Development (“ODOD”) within fifteen (15) days of its adoption. On or before March 31st of each year that a TIF Exemption authorized pursuant to this Ordinance remains in effect, the City Mayor and the City Auditor, together with their designees, are authorized to prepare and submit the status report required under R.C. Section 5709.40(I) to the Director of ODOD.

SECTION 8.

In accordance with R.C. Section 5709.832, this Council hereby determines that no entity doing business upon any Parcel or any portion of any Parcel comprising the Property and included within the Incentive District shall deny any individual employment based on considerations of race, religion, sex, disability, color, national origin, or ancestry.

SECTION 9.

The City acknowledges that it has created, or has joined, an applicable Tax Incentive Review Council (the “TIRC”) with the membership of the TIRC constituted in accordance with R.C. Section 5709.85. The TIRC shall, in accordance with R.C. Section 5709.85, annually review all TIF Exemptions resulting from the declarations set forth in this Ordinance and any other such matters as may properly come before the TIRC, all in accordance with R.C. Section 5709.85.

SECTION 10.

This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law including R.C. Section 121.22.

SECTION 11.

That this Ordinance shall take effect at the earliest date permitted by applicable law.

Section 5709.40(A)(4) and the TIF Ordinance, is hereinafter referred to as the “Improvement”), is a public purpose and is exempt from taxation for a period commencing, with respect to each Incentive District, on the earlier of (i) the first tax year following the effective date of the TIF Ordinance for which Improvements attributable to the construction of one or more structures collectively totaling at least \$1,000,000 in assessed value (e.g., 35% of true value) first appear on the tax list and duplicate of real and public utility property within the boundaries of each Incentive District, or (ii) tax year 2034 (each, with respect to each individual Incentive District, a “Commencement Date”), and ending on the earlier of (a) thirty (30) years after such Commencement Date, or (b) the date on which the Public Infrastructure Improvements have

been paid in full and the City can no longer require service payments in lieu of taxes, all in accordance with the requirements of O.R.C. Sections 5709.40, 5709.741, 5709.42, 5709.43, 5709.82, and 5709.83 and the TIF Ordinance (the "TIF Exemption"); and

WHEREAS, the City has determined that it is necessary and appropriate and in the best interest of the City to require the current owners of each parcel of real property contained within the Property (each such parcel to be referred to herein as a "Parcel") and any future owners of each Parcel (each such owner referred to herein individually as an "Owner" and collectively as the "Owners") to make annual service payments in lieu of taxes with respect to any Improvement allocable thereto (the "Service Payments") to the Madison County Treasurer (the "County Treasurer"), which Service Payments will be used, in part, to pay the costs of Public Infrastructure Improvements, all pursuant to and in accordance with O.R.C. Sections 5709.40, 5709.41, 5709.42, 5709.43, 5709.82, and 5709.83 (collectively, the "TIF Statutes"), the TIF Ordinance, and this Agreement; and

WHEREAS, the City has determined that the Madison County Treasurer shall directly pay a portion of the Service Payments to each of the London City School District (the "School District") and to the Tolles Career and Technical Center (the "JVSD") in an amount equal to the real property taxes that the School District and the JVSD would have been paid if the Improvements to each of the Parcels associated with the Incentive District located within the jurisdictions of the School District and the JVSD had not been exempt from real property taxation pursuant to the TIF Ordinance; and

WHEREAS, the City has determined that it shall pay a portion of the Service Payments to Madison County, Ohio (the "County"), in the eleventh and subsequent years of the TIF Exemption with respect to the Incentive District, equal to fifty percent (50%) of the real property taxes that would have been payable to Madison County but for the TIF Exemption applicable to the Incentive District, all pursuant to the TIF Ordinance and the TIF Statutes].

NOW, THEREFORE, in consideration of the premises and covenants contained herein and to induce the Company to proceed with the construction of the Public Infrastructure Improvements, the parties agree to the foregoing and as follows:

Section 1. Obligation to Make Service Payments.

(a) Service Payments. Each Owner, including the Company, hereby agrees to make the Service Payments due during its period of ownership of one or more Parcels, all pursuant to and in accordance with the requirements of the TIF Statutes, the TIF Ordinance, the provisions of Ohio law relating to real property tax collection, and any subsequent amendments or supplements thereto. Service Payments will be made semiannually to the County Treasurer (or to the County Treasurer's designated agent for collection of the Service Payments) on or before the final dates for payment of real property taxes for the Parcels in each Incentive District, until the respective expirations of the TIF Exemption. Any late payments will bear penalties and interest at the then current rate established under O.R.C. Sections 323.121 and 5703.47 or any successor provisions thereto, as the same may be amended from time to time. Service Payments will be made in accordance with the requirements of the TIF Statutes and the TIF Ordinance and, for each Parcel, will be in the same amount as the real property taxes that would have been

charged and payable against the Private Improvement to that Parcel (after credit for any other payments received by the City under O.R.C. Sections 319.302, 321.24, 323.152 and 323.156, or any successor provisions thereto, as the same may be amended from time to time, with respect to each Parcel, with such payments referred to herein as the “Property Tax Rollback Payments”) if it were not exempt from taxation pursuant to the TIF Exemption, including any penalties and interest. The City, Company, and each Owner agrees that the London Gateway Incentive District TIF Fund shall be created for the Incentive Districts (the “TIF Fund”), which will receive all applicable Service Payments and Property Tax Rollback Payments made with respect to the Improvements to each Parcel that are payable to the City, together with any investment earnings on money in the TIF Fund.

(b) Priority of Lien. Company acknowledges, for itself and any and all future Owners, that the provisions of O.R.C. Section 5709.91, which specify that the Service Payments for each Parcel will be treated in the same manner as taxes for all purposes of the lien described in O.R.C. Section 323.11, including, but not limited to, the priority of the lien and the collection of Service Payments, will apply to this Agreement and to the Parcels in each Incentive District and any improvements thereon.

(c) Failure to Make Payments. Should any Owner fail to make any payment required hereunder, that Owner shall pay, in addition to the Service Payments it is required to pay hereunder, such amount as is required to reimburse the City for any and all reasonably and actually incurred costs, expenses and amounts (including reasonable attorneys’ fees) required by the City to enforce the provisions of this Agreement against that Owner.

(d) Recordation. Promptly following the date when Company has obtained legal ownership of all or any portion of the Property, it shall, at its sole cost and expense, cause an instrument to be recorded in the Madison County, Ohio real property records for each Parcel in each Incentive District that provides evidence of the existence of this Agreement, it being understood and agreed that the lien of this Agreement shall, in accordance with O.R.C. Section 323.11 and O.R.C. Section 5709.91, be prior to any mortgage, assignment, lease, or other conveyance by the Owners of any of their part of or interest in the Parcels within the Incentive District, and prior to any security instrument encumbering all or any part of or interest in the Parcels within the Incentive District; provided, however, that nothing contained in this Agreement shall be construed to permit acceleration of the Service Payments beyond the current year that such Service Payments are due. During the term of this Agreement, the Owners shall cause all instruments of conveyance of any of their interest in all or any portion of the Parcels within the Incentive District, and of any improvements thereto, to subsequent mortgagees, lessees, lienholders, successors, assigns, or transferees, to be made expressly subordinate and subject to this Agreement unless such interest is subordinate to this Agreement by operation of O.R.C. Section 5709.91. It is intended and agreed, and it shall be so provided by each Owner in any future deed conveying a Parcel or any part thereof, that the covenants provided in this Agreement shall be covenants running with the land and that they shall, in any event and without regard to technical classification or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity for the benefit and in favor of and enforceable by the City and Company whether or not such provision is included by the Owner in any succeeding deed to subsequent Owners. It is further intended and agreed that these agreements and covenants shall remain in effect for the full periods of all of the TIF Exemption enacted pursuant thereto. Each

Owner shall only be responsible for making Service Payments that become due and payable during the period of that Owner's ownership of all or any portion of any Parcels within each Incentive District and only with respect to the portion of a Parcel within each Incentive District which is owned by the Owner. Upon satisfaction of each Owner's obligations under this Agreement and termination of the obligations of the Owners to make the Service Payments, the City shall, upon the request of an Owner, execute an instrument in recordable form evidencing such termination and releasing the covenants running with the land set forth in the deed.

Section 2. Establishment of TIF Fund by the City. The City agrees that it shall establish the TIF Fund as a deposit fund to be held in the custody of the City for the sole purpose of receiving the Service Payments made from the Owners to the County Treasurer and payable to City. Pursuant to the TIF Ordinance and in accordance with the TIF Statutes, the County Treasurer is to distribute (i) a portion of the Service Payments to various taxing agencies for certain protected tax levies in accordance with O.R.C. Section 5709.73(F), and (ii) a portion of the Service Payments to the School District and the JVSD in an amount equal to the real property taxes that the School District and the JVSD would have been paid if the Improvements to each of the Parcels associated with the Incentive District located within the jurisdictions of the School District and the JVSD had not been exempt from real property taxation pursuant to the TIF Ordinance, all pursuant to the TIF Ordinance and R.C. Section 5709.42(B). Following such distributions, the County Treasurer is required to make distribution of the Service Payments to City, and any Service Payments received by the City shall be deposited to the TIF Fund. Pursuant to the TIF Ordinance and in accordance with the TIF Statutes, the City is to make payments to the County Commissioners of the County in accordance with the TIF Ordinance in respect of the TIF Exemption associated with the Incentive District, and any funds remaining on deposit in the TIF Fund following the foregoing required distributions shall be used as provided in Section 4 of this Agreement.

Section 3. Exemption Applications, Withdrawal, Maintenance and Notice. Company, or the City if the Company no longer owns the real property for which a TIF Exemption is being applied, shall prepare, execute, and file such applications, documents, and other information with the appropriate officials of the State, the Owners, the City, or other public bodies as may be required to consent to or claim the TIF Exemption. The City, Company, and the Owners shall cooperate with one another in such preparation and filing, including, without limitation, by executing such applications and documents as may be appropriate in obtaining the TIF Exemption. The City, Company, and the Owners agree to perform those acts as are reasonably necessary or appropriate to effect, claim, reserve, and maintain the TIF Exemption, and collect the Service Payments, including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with the TIF Exemption or the Service Payments.

The Company agrees to require each Owner to appoint the City, when the Company no longer owns the real property, as its agent and representative and shall grant a power of attorney to the City for the purpose of filing any Ohio DTE Form 24 exemption application forms or successor forms or replacement forms necessary to claim the TIF Exemption (a "TIF Exemption Form"). The Company or the Owners, as applicable, shall cause notice of the TIF Exemption Forms to be recorded and prepared in accordance with the provisions of O.R.C. Section 5709.911(C)(1) in the County Recorder of Madison County, Ohio.

Section 4. Reimbursement for Costs of Public Infrastructure Improvements. The Public Infrastructure Improvements will be constructed by Company with timing that is determined in the Company's sole discretion, in any case not later than December 31, 2044. For purposes of this Agreement, costs of the Public Infrastructure Improvements eligible for reimbursement shall include the actual costs of the Public Infrastructure Improvements and all items of "costs of permanent improvements" set forth in O.R.C. Section 133.15(B) and incurred by Company directly or indirectly with respect to the Public Infrastructure Improvements (collectively, the "Company Costs"). By and through the TIF Ordinance and by this Agreement, the City has designated all of the Public Infrastructure Improvements as "public infrastructure improvements" as defined in O.R.C. Sections 5709.40(A)(7) that benefit or serve the Incentive District.

The City and Company agree that the Company Costs shall be paid and reimbursed as follows:

(a) First, Company Costs will be reimbursed with Interest (defined below) (the "Reimbursement Obligation") from the TIF Fund as detailed in this Agreement; and

(b) Second, after all Company Costs have been reimbursed with Interest, the TIF Fund will be available to the City.

The City and Company agree that the Reimbursement Obligation is offered by the City to the Company in consideration of the Company's investment in the Public Infrastructure Improvements in support of, benefitting, or serving the Property. In addition, those portions of the Company Costs which have been expended by the Company but have not been reimbursed as provided in this Agreement shall accrue interest to be calculated at the higher of (i) the rate of eight percent (8%) per year, or (ii) if a governmental issuer has issued revenue bonds secured with the Reimbursement Obligation or service payments in lieu of taxes, the rate of interest paid on those revenue bonds ("Interest") until such costs have been reimbursed to the Company in full.

Amounts deposited in the TIF Fund (after the required payments to the School District, the JVSD and the County as described in Section 2 hereof) shall be disbursed as follows: (i) *first*, 100% to reimburse Company for the Company Costs until all accrued and unpaid Interest thereon has been paid in full; and (ii) *second*, after the Company confirms in writing to the City, which such writing shall not be unreasonably withheld by the Company upon request for verification of by the City, that the City has fulfilled the Reimbursement Obligation applicable to the development of the Incentive Districts in full, plus applicable Interest, to the City for any purpose permitted under the TIF Statutes and the TIF Ordinance, as each may be amended from time to time. Any Public Infrastructure Improvements may be reimbursed using the TIF Fund.

Notwithstanding any insufficiency in the amounts available in the TIF Fund to make payments to the Company under this Agreement, the City may use any monies remaining on deposit in the TIF Fund after fulfillment of the Reimbursement Obligation to pay City Costs of any Public Infrastructure Improvements and for any other purpose in accordance with applicable law. The City shall submit to the Company an accounting or record of all amounts paid out of the TIF Fund and all payments made to the Company out of the TIF Fund upon request and until

such time as all amounts due to the Company pursuant to the Reimbursement Obligation as contemplated in this Agreement have been paid in full.

Subsequent to the submission of the first Written Requisition (defined below) by Company, the City shall pay to the Company, within thirty (30) days following the City's approval of a Written Requisition as provided in Section 5 of this Agreement, the lesser of (i) the approved Company Costs shown in the Written Requisition, or (ii) the monies in the TIF Fund available to reimburse Company at that time in accordance with this paragraph and other provisions of this Agreement.

Should insufficient funds be available to reimburse the Company from the TIF Fund at the time of the City's approval of a Written Requisition, then the City shall maintain a record of such unreimbursed amounts, and the City shall pay to the Company such amounts, together with Interest on those amounts as described below, within thirty (30) days after such funds are available in the TIF Fund.

Should insufficient funds be available to reimburse the Company from the TIF Fund at the time of the City's approval of a Written Requisition, then Interest shall accrue on unpaid amounts, beginning with the thirtieth (30th) day following the City's receipt of the Written Requisition, at a fixed rate as provided in this Agreement. Funds paid to the Company by the City in accordance with this Agreement shall be applied first to components of the Public Infrastructure Improvements representing accrued and unpaid Interest prior to being applied to components of the Public Infrastructure Improvements that do not represent Interest. Company and the City intend that the interest payable by the City under this Agreement shall be exempt from federal income taxation and taxation by the State of Ohio to the extent permitted by law; provided, however, Company may, by written notice delivered to the City prior to commencement of the City's obligation to make payments for the Company Costs under this Agreement, elect to have the Interest payable by the City not be exempt from taxation and have the Company Costs accrue taxable interest. With respect to any portion of that Interest so intended to be exempt from federal and Ohio taxation, the City covenants that it will, to the extent possible, (i) comply with all applicable laws to obtain and maintain the Federal and State of Ohio tax exemptions for such Interest, including any expenditure requirements, investment limitations, rebate requirements or use restrictions, and (ii) without limiting the generality of the foregoing, that it will restrict the use of any "proceeds" of this Agreement (as defined in the Code, as defined below) in such manner and to such extent, if any, as may be necessary after taking into account reasonable expectations at the time the City's obligation is incurred, so that this Agreement will not constitute an "arbitrage bond" under Sections 103(b)(2) and 148 of the Code, and will timely file an IRS Form 8038G or any other required information statement or filing when applicable. For purposes of this Agreement, "Code" means, collectively the Internal Revenue Code of 1986, as amended, applicable Treasury Regulations, whether temporary or final, under the Internal Revenue Code of 1986 or the statutory predecessor of the Internal Revenue Code of 1986, and any amendments of, or successor provisions to, the foregoing and any official rulings, announcements, notices, procedures and judicial determinations regarding the foregoing, all as and to the extent applicable.

Notwithstanding any other provision of this Agreement the City's payment obligations hereunder are limited to the monies in the TIF Fund and do not constitute an

indebtedness of the City within the provisions and limitations of the laws and the Constitution of the State of Ohio, and Company does not have the right to have taxes or excises levied by the City for the payment of the Reimbursement Obligation and accrued and unpaid Interest thereon; and

Section 5. Approval of Company Costs of Public Infrastructure Improvements. The City Fiscal Officer shall, on behalf of the City, reimburse the Company Costs to Company according to one or more written requisitions submitted by the Company to the person or entity acting as the City Auditor (the “City Auditor”), substantially in the form attached hereto and incorporated herein by reference as Exhibit C (a “Written Requisition”). Company may submit up to four (4) Written Requisitions per calendar year. The City’s obligation to make payments to the Company for reimbursement of any Company Costs shall commence with respect to a particular Company Cost when the City Auditor approves a Written Requisition for such Company Cost. The City Auditor shall approve a Written Requisition only if the following conditions have been met:

(a) Company has provided to the City Auditor a Written Requisition substantially in the form attached hereto as Exhibit C and the City Auditor has determined that the amounts on that Written Requisition are properly payable under the TIF Ordinance and this Agreement, which approval shall not be unreasonably withheld, conditioned, or delayed; and

(b) The work associated with the Written Requisition is complete and has been done in material conformance with all relevant government-approved specifications and plans for that work.

All Company Costs for Public Infrastructure Improvements identified in section (a) of Exhibit B attached to this Agreement are approved by the City as properly payable under the TIF Ordinance and this Agreement, and the City shall not reject any portion of such Company Costs on the basis that they are not properly payable under the TIF Ordinance and this Agreement. For all other Company Costs for Public Infrastructure Improvements other than those identified in Exhibit B attached to this Agreement, Company may request a written determination from the City Auditor in advance of incurring any expenditures for any such Company Costs that, upon making those expenditures and documenting those expenditures to the reasonable satisfaction of the City, those expenditures will be properly payable under the TIF Ordinance and this Agreement. Any request made pursuant to this provision shall not be unreasonably withheld, conditioned, or delayed by the City Auditor, and the City Auditor shall make a determination on each request within fifteen (15) business days of receiving that request. The City Auditor shall not reject any portion of such Company Costs identified on a Written Requisition on the basis that they are not properly payable under the TIF Ordinance and this Agreement if the City Auditor has made a prior written determination that those Company Costs are properly payable pursuant to this provision. The City Auditor and the City Fiscal Officer shall act for the City under this Section.

Section 6. City Covenant Not to Divert TIF Fund. The City covenants that it will not agree or consent to any amendment, modification or change to the TIF Ordinance or this Agreement without the prior written approval of the Company until the Reimbursement Obligation and all accrued and unpaid Interest has been paid in full to Company. Any change to the provisions of this Agreement or to the distribution of Service Payments deposited in the TIF

Fund shall be approved by the Company and the City in an amendment to this Agreement. The City agrees that so long as the TIF Exemption pursuant to the TIF Ordinance is in effect, it shall not consent to any exemption from real property taxation for the Property pursuant to any other tax exemption or tax abatement program within each Incentive District without the prior written approval of the Company.

Section 7. Certain Representations and Warranties of the City. The City represents and warrants as of the date of delivery of this Agreement that:

(a) It is a City and political subdivision duly organized and validly existing under the Constitution and laws of the State of Ohio.

(b) It has duly accomplished all conditions necessary to be accomplished by it prior to the execution and delivery of this Agreement and to constitute this Agreement as a valid and binding obligation of the City enforceable in accordance with its terms.

(c) It is not in violation of or in conflict with any provision of the laws of the State of Ohio or of the United States of America applicable to the City that would impair its ability to observe and perform its covenants, agreements and obligations under this Agreement, nor will its execution, delivery and performance of this Agreement (i) result in such a violation or conflict or (ii) conflict with or result in any breach of any provisions of any other agreement or instrument to which the City is a party or by which it may be bound.

(d) It has and will have full power and authority (a) to execute, deliver, observe, and perform this Agreement and all other instruments and documents executed and delivered by it in connection herewith and (b) to enter into, observe and perform the transactions contemplated by this Agreement and those other instruments and documents.

(e) It has or will have duly authorized the execution, delivery, observance, and performance of this Agreement.

(f) The TIF Ordinance has been duly passed by the City, has not been amended, modified, or repealed, and is in full force and effect.

(g) It will deposit into the TIF Fund all Service Payments and Property Tax Rollback Payments received by it and any investment earnings on that money or other amounts held in the TIF Fund.

(h) So long as any Company Costs of the Public Infrastructure Improvements are outstanding, it will not amend, modify or repeal the TIF Ordinance in any way or pass any other legislation or take any action that would affect the amount of Service Payments and Property Tax Rollback Payments deposited into the TIF Fund except as approved by the Company or required by law.

(i) It will not transfer, encumber, spend, or use any monies on deposit in the TIF Fund other than as provided in this Agreement and in the assignment and acknowledgement associated with this Agreement.

(j) There is no litigation pending or to its knowledge threatened against or by the City wherein an unfavorable ruling or decision would materially and adversely affect the City's ability to carry out its obligations under this Agreement.

Section 8. Certain Representations and Warranties of the Company. The Company hereby represents and warrants as of the date of delivery of this Agreement that:

(a) It is a limited liability company duly organized, validly existing and in full force and effect under the laws of the State of Ohio, and it has all requisite power and authority to carry on its business as now being conducted and as presently proposed to be conducted.

(b) It either owns, is a party to one or more written contracts to purchase, or holds an option to purchase, the real property that is located within any Incentive District, and such written contracts remain effective on the Effective Date.

(c) It has the authority and power to execute and deliver this Agreement, perform its obligations hereunder and construct or cause to be constructed the Private Improvements and the Public Infrastructure Improvements, and it has duly executed and delivered this Agreement.

(d) The execution and delivery by it of this Agreement and the compliance by it with all of the provisions hereof (i) will not conflict with or result in any breach of any of the provisions of, or constitute a default under, any agreement, its articles of organization or operating agreement, or other instrument to which it is a party or by which it may be bound, or any license, judgment, decree, law, statute, order, rule or regulation of any court or governmental agency or body having jurisdiction over it or any of its activities or properties, and (ii) have been duly authorized by all necessary action on its part.

(e) There are no actions, suits, proceedings, inquiries or investigations pending, or to its knowledge threatened, against or affecting it in any court or before any governmental authority or arbitration board or tribunal that challenges the validity or enforceability of, or seeks to enjoin performance of, this Agreement or the construction of the Private Improvements or the Public Infrastructure Improvements, or if successful would materially impair its ability to perform its obligations under this Agreement or to construct or cause to be constructed the Private Improvements or the Public Infrastructure Improvements.

(f) It is in compliance with State of Ohio campaign financing laws contained in O.R.C. Chapter 3517 and is not subject to an unresolved finding for recovery issued by the Auditor of State as described in O.R.C. Section 9.24.

Section 9. Provision of Information. The Company agrees for itself and all Owners, to (i) cooperate in all reasonable ways with, and provide necessary and reasonable information to, the designated tax incentive review council to enable that tax incentive review council to review and determine annually during the term of this Agreement the compliance of the Owners with the terms of this Agreement; and (ii) to cooperate in all reasonable ways with, and provide necessary and reasonable information to the City to enable the City to submit the status report required by O.R.C. Section 5709.40(I) to the Director of the Ohio Department of Development on or before March 31st of each year.

Section 10. Prevailing Wage. The Company does not intend to construct Public Infrastructure Improvements as a construction agent of the City, and the Company and the City agree that the construction contracts held by the Company for Public Infrastructure Improvements constructed by the company or its agents are not subject to the prevailing wage requirements of O.R.C. Chapter 4115. The City may, from time to time, construct some portions of the Public Infrastructure Improvements, or may authorize another “public authority” (as defined in O.R.C. Section 4115.03(A)), to construct some portions of the Public Infrastructure Improvements, and such construction is subject to the prevailing wage requirements of O.R.C. Chapter 4115. Accordingly, all wages paid to laborers and mechanics employed by the City or its agents to construct such Public Infrastructure Improvements must be paid at not less than the prevailing rates of wages of laborers and mechanics for the classes of work called for by such Public Infrastructure Improvements, which wages must be determined in accordance with the requirements of O.R.C. Chapter 4115. The City agrees to (i) obtain the determination required by O.R.C. Chapter 4115 of the prevailing rates of wages to be paid for all classes of work called for by such Public Infrastructure Improvements, (ii) designate a prevailing wage coordinator for such Public Infrastructure Improvements, and (iii) ensure that all subcontractors receive notification of changes in prevailing wage rates as required by O.R.C. Chapter 4115. The City and the Company agree that the Company has no responsibility with respect to prevailing wage requirements of O.R.C. Chapter 4115 for Public Infrastructure Improvements constructed by the City or its agents.

Section 11. Estoppel Certificate. Within thirty (30) days after a request from the Company or any Owner of a Parcel, the City will execute and deliver to the Company or the Owner or any proposed purchaser, mortgagee, or lessee of that Parcel, a certificate stating that, with respect to that Parcel, if the same is true: (i) this Agreement is in full force and effect; (ii) the requesting Company or Owner is not in default under any of the terms, covenants, or conditions of this Agreement, or, if Company or Owner is in default, specifying such default; and (iii) such other matters as Company or Owner reasonably requests.

Section 12. Notices. Except as otherwise specifically set forth in this Agreement, all notices, demands, requests, consents, or approvals given, required, or permitted to be given hereunder must be in writing and will be deemed sufficiently given if actually received or if hand-delivered or sent by recognized, overnight delivery service or by certified mail, postage prepaid and return receipt requested, addressed to the other party at the address set forth in this Agreement or any addendum to or counterpart of this Agreement, or to such other address as the recipient has previously notified the sender of in writing, and will be deemed received upon actual receipt, unless sent by certified mail, in which event such notice will be deemed to have been received when the return receipt is signed or refused. The parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, certificates, requests, or other communications must be sent. Section 13. Successors; Amendments; City Consents; Assignments. This Agreement is binding upon the parties hereto and their successors and assigns, and this Agreement inures to the benefit of the Company and its beneficiaries, successors, and assigns. This Agreement may only be amended by written instrument executed by all parties to this Agreement. Any consent of the City to be given under this Agreement may be given by its fiscal officer or administrator and must be given in writing.

The City and Company may only assign this Agreement with the consent of the other, which consent shall not be unreasonably withheld; provided, however, that Company may, without the consent of the City, (i) assign its rights under this Agreement to an entity controlled by or under common control with the Company, (ii) assign its rights under this Agreement for the purpose of obtaining financing (including any refinancing) for the Public Infrastructure Improvements or the Private Improvements, which assignment may include an assignment to a governmental issuer of revenue bonds or its trustee for purposes of such financing, (iii) designate an authorized designee to receive all or any portion of the Service Payments payable to the Company pursuant to this Agreement, upon which designation such designee shall receive the portion of Service Payments specified by the Company as if it was the Company under this Agreement, which designation may include an assignment to a governmental issuer of revenue bonds or its trustee for purposes of obtaining financing (including any refinancing), and (iv) assign its right, title, and interest in and to this Agreement as security for the payment of all or any portion of the Service Payments payable to the Company pursuant to this Agreement to a designee, which assignment may include an assignment to a governmental issuer of revenue bonds or its trustee for purposes of obtaining financing (including any refinancing).

The City shall execute an acknowledgment of any assignment authorized by this Section 13. The City will cooperate with any reasonable assignment request made by the Company in connection with any financing (or refinancing) of the Public Infrastructure Improvements or the Private Improvements. City agrees upon request of the Company in connection with that

financing (or refinancing) to consent to any third-party assignment by the Company of its interest in the TIF Fund.

Nothing in this Agreement prevents an Owner from transferring any or all of its interest in one or more Parcels to another person or entity.

Section 14. Extent of Covenants; No Personal Liability. All covenants, stipulations, obligations and agreements of the parties contained in this Agreement are effective and enforceable to the extent authorized and permitted by applicable law. The obligations of the City may be enforced to the extent permitted by law by mandamus or any suit or proceeding in law or equity. No such covenant, stipulation, obligation or agreement will be deemed a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of any of the parties hereto in their individual capacity. Neither the City, the members of the City Council, nor any City official executing this Agreement, or any individual person executing this Agreement on behalf of the Company, will be liable personally by reason of the covenants, stipulations, obligations or agreements of the City or the Company contained in this Agreement. The obligation to perform and observe the agreements contained herein on the part of the Company shall be binding and enforceable by the City against the Company with respect to (and only to) the Company's interest in its portion of the Parcels and the Private Improvements and the Public Infrastructure Improvements, or any parts thereof or any interest therein.

Section 15. Events of Default and Remedies.

(a) Any one or more of the following constitutes an "Event of Default" under this Agreement:

(i) The City fails to make any payment punctually and as required under this Agreement;

(ii) The Company or the City fails to perform or observe any material obligation punctually and as due under this Agreement, provided that if a Force Majeure (as such term is defined below) event causes the failure, the Company or the City may receive an additional period of time as is reasonably necessary to perform or observe the material obligation in light of the event if it notifies the other of the Force Majeure event or potential Force Majeure event and the extent of the delay promptly after becoming aware of the event;

(iii) The Company or the City makes a representation or warranty in this Agreement that is materially false or misleading at the time it is made;

(iv) The Company files a petition for the appointment of a receiver or a trustee with respect to it or any of the Property;

(v) The Company makes a general assignment for the benefit of creditors;

(vi) A court enters an order for relief pursuant to any Chapter of Title 11 of the U.S. Code, as the same may be amended from time to time, with the Company as debtor; or

(vii) The Company files an insolvency proceeding with respect to itself or any proceeding with respect to itself for compromise, adjustment or other relief under the laws of any country or state relating to the relief of debtors.

As used in this Section 15, "Force Majeure" means any event that is not within the control of a party or its affiliates, employees, contractors, subcontractors or material suppliers that delays performance of any obligation under this Agreement including, but not limited to, the following acts: acts of God; fires; epidemics; landslides; floods; strikes; lockouts or other industrial disturbances; acts of public enemies; acts or orders of any kind of any governmental authority; insurrections; riots; civil disturbances; arrests; explosions; breakage or malfunctions of or accidents to machinery, transmission pipes or canals; partial or entire failures of utilities; shortages of labor, materials, supplies or transportation; lightning, earthquakes, hurricanes, tornadoes, storms or droughts; periods of unusually inclement weather or excessive precipitation; or orders or restraints of any kind of the government of the United States or of the State of Ohio (and in the case of a Force Majeure claim by the Company, the City or any departments, agencies, political subdivisions or officials that are not in response to a violation of law or regulations). However, the inability of the City to make any payment required under this Agreement and the inability of the Company to obtain financing for its obligations hereunder are expressly excluded from being a Force Majeure event.

(b) General Right to Cure. In the event of any Event of Default in or breach of this Agreement, or any of its terms or conditions, by any party hereto, the defaulting party will, upon written notice from the other, proceed, as soon as reasonably possible, to cure or remedy such Event of Default or breach, and, in any event, within thirty (30) days after receipt of such notice. In the event such Event of Default or breach is of such nature that it cannot be cured or remedied within said thirty (30) day period, then in such event the defaulting party will upon written notice from the other commence its actions to cure or remedy said breach within said thirty (30) day period, and proceed diligently thereafter to cure or remedy said breach.

(c) Remedies. If a defaulting party fails to cure any Event of Default pursuant to paragraph (b) of this Section 15, a party may institute such proceedings against the defaulting party as may be necessary or desirable in its opinion to cure and remedy such default or breach. Such remedies include, but are not limited to: (i) instituting proceedings to compel specific performance by the defaulting party, (ii) suspending or terminating the obligations of the non-defaulting party under this Agreement, provided the aggrieved party must provide thirty (30) days' notice of any termination to the defaulting party and provided further that the aggrieved party must rescind the termination notice and not terminate the Agreement if the defaulting party cures all Events of Default within a reasonable time thereafter, and (iii) any other rights and remedies available at law, in equity or otherwise to collect all amounts then becoming due or to enforce the performance of any obligation under this Agreement. The obligations of the City may be enforced to the extent permitted by law by mandamus or any suit or proceeding in law or equity.

Section 16. Mutual Dependency and Severability. All material rights and duties contained in this Agreement are mutually interdependent and one cannot exist independent of another; provided, that if any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity,

illegality, or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision was not contained herein. Furthermore, in lieu of such illegal, invalid, or unenforceable provision, there will be added automatically as a part of this Agreement a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible that is and will be legal, valid, and enforceable.

Section 17. Separate Counterparts; Captions. This Agreement may be executed by the parties hereto in one or more counterparts or duplicate signature pages, each of which when so executed and delivered will be an original, with the same force and effect as if all required signatures were contained in a single original instrument. Any one or more of such counterparts or duplicate signature pages may be removed from any one or more original copies of this Agreement and annexed to other counterparts or duplicate signature pages to form a completely executed original instrument. Captions have been provided herein for the convenience of the reader and shall not affect the construction of this Agreement.

Section 18. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the matters covered herein and supersedes prior agreements and understandings between the parties.

Section 19. Governing Law and Choice of Forum. This Agreement will be governed by and construed in accordance with the laws of the State of Ohio. All claims, counterclaims, disputes and other matters in question among the City, its employees, contractors, subcontractors and agents, and the Company, its employees, contractors, subcontractors and agents arising out of or relating to this Agreement or its breach will be decided in a court of competent jurisdiction within the County of Madison, State of Ohio.

Section 20. Additional Documents. The City, Company and their respective successors, assigns and transferees agree to execute any further agreements, documents, or instruments as may be reasonably necessary to fully effectuate the purpose and intent of this Agreement.

Section 21. Release. Upon satisfaction of the Company's obligations under this Agreement and the expiration of the TIF Exemption applicable to each Incentive District under the TIF Ordinance, or the termination of the obligations of the Owners to make the Service Payments by operation of law or otherwise, the City shall, upon request of the Company or of any individual Owner, execute an instrument in recordable form evidencing such satisfaction or termination.

NOW THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF LONDON, STATE OF OHIO

Section 1.

Section 9.

This Council hereby finds and determines that notice of this proposed Ordinance has been delivered to the School Districts in accordance with R.C. Section 5709.83, and hereby ratifies the giving of that notice.

TAX INCREMENT FINANCING AGREEMENT

This TAX INCREMENT FINANCING AGREEMENT (this “Agreement”) is made and entered into as of this [] day of [], 2024 (the “Effective Date”), by and between the CITY OF LONDON, OHIO, an Ohio municipal corporation duly organized and validly existing under the constitution and the laws of the State of Ohio (the “City”), and TOM CAT, LLC, an Ohio limited liability company (the “Company”).

WITNESSETH:

WHEREAS, Company has acquired certain real property which is located within the jurisdiction of the City, known on the Effective Date as Parcel Numbers: 31-03391.001, 31-03584.000, 31-03578.000, 31-03578.001, 31-03586.000, and 32-00007.000 (each a “Parcel”, and collectively, the “Parcels”) in the records of the Office of the Auditor of Madison County, Ohio (the “Auditor”) (the “Property”), and a depiction and legal description in the form of a land survey of the Property is attached hereto and incorporated herein by reference as Exhibit A; and

WHEREAS, Company plans to develop the Property as a mixed-use development for commercial and public purposes, including but not limited to office, retail, multi-family residential, and other commercial and mixed-use purposes (the “Private Improvements”); and

WHEREAS, in order to provide for the orderly development of the Property, it is necessary to construct or to cause to be constructed certain Designated Improvements and private improvements for urban redevelopment purposes as described in Section 4 and in Exhibit B attached hereto and incorporated herein by reference (the “Designated Improvements”), which the City and Company agree will benefit and serve the Property; and

WHEREAS, the City desires to form a tax increment financing program in accordance with Ohio Revised Code (“O.R.C.”) Section 5709.41, and in accordance with the terms of this Agreement, for the purpose of providing the means to fund or reimburse the costs of constructing the Designated Improvements; and

WHEREAS, by its Ordinance No. []-24 passed on [] [] (the “TIF Ordinance”), the City has declared that one-hundred percent (100%) of the increase in the assessed value of each Parcel subsequent to the effective date of the TIF Ordinance (such increase, as further defined in O.R.C. Section 5709.41 and the TIF Ordinance, is hereinafter referred to as the “Improvement”), is a public purpose and is exempt from taxation for a period commencing for each Parcel (as each may be subdivided or combined) the earlier of (i) the first tax year in which there is an increase in fair market value, attributable to the completed construction of a building or structure on a Parcel, of at least one hundred thousand dollars (\$100,000) for each Parcel or (ii) tax year 20554, and ending for each Parcel on the earlier of (a) thirty (30) years after such commencement, or (b) the date on which the City can no longer require Service Payments in lieu of taxes, all in accordance with the requirements of R.C. Sections 5709.41, 5709.42 and 5709.43 (the “TIF Exemption”); and

WHEREAS, the City has determined that it is necessary and appropriate and in the best interest of the City to require the current owners of each Parcel and any future owners of each

Parcel (each such owner referred to herein individually as an “Owner” and collectively as the “Owners”) to make annual service payments in lieu of taxes with respect to any Improvement allocable thereto (the “Service Payments”) to the Madison County Treasurer (the “County Treasurer”), which Service Payments will be used, in part, to pay the costs of Designated Improvements, all pursuant to and in accordance with O.R.C. Sections 5709.41, 5709.42, 5709.43, 5709.82, and 5709.83 (collectively, the “TIF Statutes”), the TIF Ordinance, and this Agreement; and

NOW, THEREFORE, in consideration of the premises and covenants contained herein and to induce the Company to proceed with the construction of the Designated Improvements, the parties agree to the foregoing and as follows:

Section 1. Obligation to Make Service Payments.

(a) Service Payments. Each Owner, including the Company, hereby agrees to make the Service Payments due during its period of ownership of one or more Parcels, all pursuant to and in accordance with the requirements of the TIF Statutes, the TIF Ordinance, the provisions of Ohio law relating to real property tax collection, and any subsequent amendments or supplements thereto. Service Payments will be made semiannually to the County Treasurer (or to the County Treasurer’s designated agent for collection of the Service Payments) on or before the final dates for payment of real property taxes for the Parcels until the respective expirations of the TIF Exemption. Any late payments will bear penalties and interest at the then current rate established under O.R.C. Sections 323.121 and 5703.47 or any successor provisions thereto, as the same may be amended from time to time. Service Payments will be made in accordance with the requirements of the TIF Statutes and the TIF Ordinance and, for each Parcel, will be in the same amount as the real property taxes that would have been charged and payable against the Private Improvement to that Parcel (after credit for any other payments received by the City under O.R.C. Sections 319.302, 321.24, 323.152 and 323.156, or any successor provisions thereto, as the same may be amended from time to time, with respect to each Parcel, with such payments referred to herein as the “Property Tax Rollback Payments”) if it were not exempt from taxation pursuant to the TIF Exemption, including any penalties and interest. The City, Company, and each Owner agrees that the London Gateway urban redevelopment tax increment equivalent fund TIF Fund shall be created pursuant to the TIF Ordinance (the “TIF Fund”), which will receive all applicable Service Payments and Property Tax Rollback Payments made with respect to the Improvements to each Parcel that are payable to the City, together with any investment earnings on money in the TIF Fund.

(b) Priority of Lien. Company acknowledges, for itself and any and all future Owners, that the provisions of O.R.C. Section 5709.91, which specify that the Service Payments for each Parcel will be treated in the same manner as taxes for all purposes of the lien described in O.R.C. Section 323.11, including, but not limited to, the priority of the lien and the collection of Service Payments, will apply to this Agreement and to the Parcels and any Private Improvements thereon.

(c) Failure to Make Payments. Should any Owner fail to make any payment required hereunder, that Owner shall pay, in addition to the Service Payments it is required to pay hereunder, such amount as is required to reimburse the City for any and all reasonably and

actually incurred costs, expenses and amounts (including reasonable attorneys' fees) required by the City to enforce the provisions of this Agreement against that Owner.

(d) Recordation. Promptly following the date when Company has obtained legal ownership of all or any portion of the Property, it shall, at its sole cost and expense, cause an instrument to be recorded in the Madison County, Ohio real property records for each Parcel that provides evidence of the existence of this Agreement, it being understood and agreed that the lien of this Agreement shall, in accordance with O.R.C. Section 323.11 and O.R.C. Section 5709.91, be prior to any mortgage, assignment, lease, or other conveyance by the Owners of any of their part of or interest in the Parcels and prior to any security instrument encumbering all or any part of or interest in the Parcels; provided, however, that nothing contained in this Agreement shall be construed to permit acceleration of the Service Payments beyond the current year that such Service Payments are due. During the term of this Agreement, the Owners shall cause all instruments of conveyance of any of their interest in all or any portion of the Parcels, and of any improvements thereto, to subsequent mortgagees, lessees, lienholders, successors, assigns, or transferees, to be made expressly subordinate and subject to this Agreement unless such interest is subordinate to this Agreement by operation of O.R.C. Section 5709.91. It is intended and agreed, and it shall be so provided by each Owner in any future deed conveying a Parcel or any part thereof, that the covenants provided in this Agreement shall be covenants running with the land and that they shall, in any event and without regard to technical classification or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity for the benefit and in favor of and enforceable by the City and Company whether or not such provision is included by the Owner in any succeeding deed to subsequent Owners. It is further intended and agreed that these agreements and covenants shall remain in effect for the full periods of all of the TIF Exemption enacted pursuant thereto. Each Owner shall only be responsible for making Service Payments that become due and payable during the period of that Owner's ownership of all or any portion of any Parcels and only with respect to the portion of a Parcel which is owned by the Owner. Upon satisfaction of each Owner's obligations under this Agreement and termination of the obligations of the Owners to make the Service Payments, the City shall, upon the request of an Owner, execute an instrument in recordable form evidencing such termination and releasing the covenants running with the land set forth in the deed.

Section 2. Establishment of TIF Fund by the City. The City agrees that it shall establish the TIF Fund as a deposit fund to be held in the custody of the City for the sole purpose of receiving the Service Payments made from the Owners to the County Treasurer and payable to City. Pursuant to the TIF Ordinance and in accordance with the TIF Statutes, the County Treasurer is required to make distribution of the Service Payments to City, and any Service Payments received by the City shall be deposited to the TIF Fund. All funds on deposit in the TIF Fund shall be used as provided in Section 4 of this Agreement.

Section 3. Exemption Applications, Withdrawal, Maintenance and Notice. Company, or the City if the Company no longer owns the real property for which a TIF Exemption is being applied, shall prepare, execute, and file such applications, documents, and other information with the appropriate officials of the State, the Owners, the City, or other public bodies as may be required to consent to or claim the TIF Exemption. The City, Company, and the Owners shall cooperate with one another in such preparation and filing, including, without limitation, by executing such applications and documents as may be appropriate in obtaining the TIF

Exemption. The City, Company, and the Owners agree to perform those acts as are reasonably necessary or appropriate to effect, claim, reserve, and maintain the TIF Exemption, and collect the Service Payments, including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with the TIF Exemption or the Service Payments.

The Company agrees to require each Owner to appoint the City, when the Company no longer owns the real property, as its agent and representative and shall grant a power of attorney to the City for the purpose of filing any Ohio DTE Form 24 exemption application forms or successor forms or replacement forms necessary to claim the TIF Exemption (a “TIF Exemption Form”). The Company or the Owners, as applicable, shall cause notice of the TIF Exemption Forms to be recorded and prepared in accordance with the provisions of O.R.C. Section 5709.911(C)(1) in the County Recorder of Madison County, Ohio.

Section 4. Reimbursement for Costs of Designated Improvements. The Designated Improvements will be constructed by Company with timing that is determined in the Company’s sole discretion.. For purposes of this Agreement, costs of the Designated Improvements eligible for reimbursement shall include the actual costs of the Designated Improvements and all items of “costs of permanent improvements” set forth in O.R.C. Section 133.15(B) and incurred by Company directly or indirectly with respect to the Designated Improvements (collectively, the “Company Costs”). By and through the TIF Ordinance and by this Agreement, the City has designated all of the Designated Improvements as urban redevelopment purposes that, once made, will support the City’s urban renewal efforts for purposes of O.R.C. Section 5709.41.

The City and Company agree that the Company Costs shall be paid and reimbursed as follows:

(a) First, Company Costs will be reimbursed with Interest (defined below) (the “Reimbursement Obligation”) from the TIF Fund as detailed in this Agreement; and

(b) Second, after all Company Costs have been reimbursed with Interest, the TIF Fund will be available to the City.

The City and Company agree that the Reimbursement Obligation is offered by the City to the Company in consideration of the Company’s investment in the Designated Improvements in support of, benefitting, or serving the Property. In addition, those portions of the Company Costs which have been expended by the Company but have not been reimbursed as provided in this Agreement shall accrue interest to be calculated as of the date the City has approved a Written Requisition (defined below) pursuant to Section 5 herein at the higher of (i) the rate of eight and ninety-nine hundredths percent (8.99%) per year, or (ii) if a governmental issuer has issued revenue bonds secured with the Reimbursement Obligation or service payments in lieu of taxes, the rate of interest paid on those revenue bonds, or (iii) the most recent annual rate of interest announced by *The Bond Buyer 25-Bond Revenue Bond Index*, plus three hundred (300) basis points (“Interest”) until such costs have been reimbursed to the Company in full.

Amounts deposited in the TIF Fund shall be disbursed as follows: (i) *first*, 100% to reimburse Company for the Company Costs until all accrued and unpaid Interest thereon has been

paid in full; and (ii) *second*, after the Company confirms in writing to the City, which such writing shall not be unreasonably withheld by the Company upon request for verification of by the City, that the City has fulfilled the Reimbursement Obligation, plus applicable Interest, to the City for any purpose permitted under the TIF Statutes and the TIF Ordinance, as each may be amended from time to time. Any Designated Improvements may be reimbursed using the TIF Fund.

Notwithstanding any insufficiency in the amounts available in the TIF Fund to make payments to the Company under this Agreement, the City may use any monies remaining on deposit in the TIF Fund after fulfillment of the Reimbursement Obligation to pay City Costs of any Designated Improvements and for any other purpose in accordance with applicable law. The City shall submit to the Company an accounting or record of all amounts paid out of the TIF Fund and all payments made to the Company out of the TIF Fund upon request and until such time as all amounts due to the Company pursuant to the Reimbursement Obligation as contemplated in this Agreement have been paid in full.

Subsequent to the submission of the first Written Requisition (defined below) by Company, the City shall pay to the Company, within thirty (30) days following the City's approval of a Written Requisition as provided in Section 5 of this Agreement, the lesser of (i) the approved Company Costs shown in the Written Requisition, or (ii) the monies in the TIF Fund available to reimburse Company at that time in accordance with this paragraph and other provisions of this Agreement.

Should insufficient funds be available to reimburse the Company from the TIF Fund at the time of the City's approval of a Written Requisition, then the City shall maintain a record of such unreimbursed amounts, and the City shall pay to the Company such amounts, together with Interest on those amounts as described below, within thirty (30) days after such funds are available in the TIF Fund.

Should insufficient funds be available to reimburse the Company from the TIF Fund at the time of the City's approval of a Written Requisition, then Interest shall accrue on unpaid amounts, beginning with the thirtieth (30th) day following the City's receipt of the Written Requisition, at a fixed rate as provided in this Agreement. Funds paid to the Company by the City in accordance with this Agreement shall be applied first to components of the Designated Improvements representing accrued and unpaid Interest prior to being applied to components of the Designated Improvements that do not represent Interest. Company and the City intend that the interest payable by the City under this Agreement shall be exempt from federal income taxation and taxation by the State of Ohio to the extent permitted by law; provided, however, Company may, by written notice delivered to the City prior to commencement of the City's obligation to make payments for the Company Costs under this Agreement, elect to have the Interest payable by the City not be exempt from taxation and have the Company Costs accrue taxable interest. With respect to any portion of that Interest so intended to be exempt from federal and Ohio taxation, the City covenants that it will, to the extent possible, (i) comply with all applicable laws to obtain and maintain the Federal and State of Ohio tax exemptions for such Interest, including any expenditure requirements, investment limitations, rebate requirements or use restrictions, and (ii) without limiting the generality of the foregoing, that it will restrict the use of any "proceeds" of this Agreement (as defined in the Code, as defined below) in such

manner and to such extent, if any, as may be necessary after taking into account reasonable expectations at the time the City's obligation is incurred, so that this Agreement will not constitute an "arbitrage bond" under Sections 103(b)(2) and 148 of the Code, and will timely file an IRS Form 8038G or any other required information statement or filing when applicable. For purposes of this Agreement, "Code" means, collectively the Internal Revenue Code of 1986, as amended, applicable Treasury Regulations, whether temporary or final, under the Internal Revenue Code of 1986 or the statutory predecessor of the Internal Revenue Code of 1986, and any amendments of, or successor provisions to, the foregoing and any official rulings, announcements, notices, procedures and judicial determinations regarding the foregoing, all as and to the extent applicable.

Notwithstanding any other provision of this Agreement the City's payment obligations hereunder are limited to the monies in the TIF Fund and do not constitute an indebtedness of the City within the provisions and limitations of the laws and the Constitution of the State of Ohio, and Company does not have the right to have taxes or excises levied by the City for the payment of the Reimbursement Obligation and accrued and unpaid Interest thereon; and

Section 5. Approval of Company Costs of Designated Improvements. The City Fiscal Officer shall, on behalf of the City, reimburse the Company Costs to Company according to one or more written requisitions submitted by the Company to the person or entity acting as the City Auditor (the "City Auditor"), substantially in the form attached hereto and incorporated herein by reference as Exhibit C (a "Written Requisition"). Company may submit up to four (4) Written Requisitions per calendar year. The City's obligation to make payments to the Company for reimbursement of any Company Costs shall commence with respect to a particular Company Cost when the City Auditor approves a Written Requisition for such Company Cost. The City Auditor shall approve a Written Requisition only if the following conditions have been met:

(a) Company has provided to the City Auditor a Written Requisition substantially in the form attached hereto as Exhibit C and the City Auditor has determined that the amounts on that Written Requisition are properly payable under the TIF Ordinance and this Agreement, which approval shall not be unreasonably withheld, conditioned, or delayed; and

(b) The work associated with the Written Requisition is complete and has been done in material conformance with all relevant government-approved specifications and plans for that work.

All Company Costs for Designated Improvements identified in section (a) of Exhibit B attached to this Agreement are approved by the City as properly payable under the TIF Ordinance and this Agreement, and the City shall not reject any portion of such Company Costs on the basis that they are not properly payable under the TIF Ordinance and this Agreement. For all other Company Costs for Designated Improvements other than those identified in Exhibit B attached to this Agreement, Company may request a written determination from the City Auditor in advance of incurring any expenditures for any such Company Costs that, upon making those expenditures and documenting those expenditures to the reasonable satisfaction of the City, those expenditures will be properly payable under the TIF Ordinance and this Agreement. Any request made pursuant to this provision shall not be unreasonably withheld, conditioned, or delayed by the City Auditor, and

the City Auditor shall make a determination on each request within fifteen (15) business days of receiving that request. The City Auditor shall not reject any portion of such Company Costs identified on a Written Requisition on the basis that they are not properly payable under the TIF Ordinance and this Agreement if the City Auditor has made a prior written determination that those Company Costs are properly payable pursuant to this provision. The City Auditor and the City Fiscal Officer shall act for the City under this Section.

Section 6. City Covenant Not to Divert TIF Fund. The City covenants that it will not agree or consent to any amendment, modification or change to the TIF Ordinance or this Agreement without the prior written approval of the Company until the Reimbursement Obligation and all accrued and unpaid Interest has been paid in full to Company. Any change to the provisions of this Agreement or to the distribution of Service Payments deposited in the TIF Fund shall be approved by the Company and the City in an amendment to this Agreement. The City agrees that so long as the TIF Exemption pursuant to the TIF Ordinance is in effect, it shall not consent to any exemption from real property taxation for the Property pursuant to any other tax exemption or tax abatement program without the prior written approval of the Company.

Section 7. Certain Representations and Warranties of the City. The City represents and warrants as of the date of delivery of this Agreement that:

(a) It is a City and political subdivision duly organized and validly existing under the Constitution and laws of the State of Ohio.

(b) It has duly accomplished all conditions necessary to be accomplished by it prior to the execution and delivery of this Agreement and to constitute this Agreement as a valid and binding obligation of the City enforceable in accordance with its terms.

(c) It is not in violation of or in conflict with any provision of the laws of the State of Ohio or of the United States of America applicable to the City that would impair its ability to observe and perform its covenants, agreements and obligations under this Agreement, nor will its execution, delivery and performance of this Agreement (i) result in such a violation or conflict or (ii) conflict with or result in any breach of any provisions of any other agreement or instrument to which the City is a party or by which it may be bound.

(d) It has and will have full power and authority (a) to execute, deliver, observe, and perform this Agreement and all other instruments and documents executed and delivered by it in connection herewith and (b) to enter into, observe and perform the transactions contemplated by this Agreement and those other instruments and documents.

(e) It has or will have duly authorized the execution, delivery, observance, and performance of this Agreement.

(f) The TIF Ordinance has been duly passed by the City, has not been amended, modified, or repealed, and is in full force and effect.

(g) It will deposit into the TIF Fund all Service Payments and Property Tax Rollback Payments received by it and any investment earnings on that money or other amounts held in the TIF Fund.

(h) So long as any Company Costs of the Designated Improvements are outstanding, it will not amend, modify or repeal the TIF Ordinance in any way or pass any other legislation or take any action that would affect the amount of Service Payments and Property Tax Rollback Payments deposited into the TIF Fund except as approved by the Company or required by law.

(i) It will not transfer, encumber, spend, or use any monies on deposit in the TIF Fund other than as provided in this Agreement and in the assignment and acknowledgement associated with this Agreement.

(j) There is no litigation pending or to its knowledge threatened against or by the City wherein an unfavorable ruling or decision would materially and adversely affect the City's ability to carry out its obligations under this Agreement.

Section 8. Certain Representations and Warranties of the Company. The Company hereby represents and warrants as of the date of delivery of this Agreement that:

(a) It is a limited liability company duly organized, validly existing and in full force and effect under the laws of the State of Ohio, and it has all requisite power and authority to carry on its business as now being conducted and as presently proposed to be conducted.

(b) It either owns, is a party to one or more written contracts to purchase, or holds an option to purchase, the Parcel, and such written contracts remain effective on the Effective Date.

(c) It has the authority and power to execute and deliver this Agreement, perform its obligations hereunder and construct or cause to be constructed the Private Improvements and the Designated Improvements, and it has duly executed and delivered this Agreement.

(d) The execution and delivery by it of this Agreement and the compliance by it with all of the provisions hereof (i) will not conflict with or result in any breach of any of the provisions of, or constitute a default under, any agreement, its articles of organization or operating agreement, or other instrument to which it is a party or by which it may be bound, or any license, judgment, decree, law, statute, order, rule or regulation of any court or governmental agency or body having jurisdiction over it or any of its activities or properties, and (ii) have been duly authorized by all necessary action on its part.

(e) There are no actions, suits, proceedings, inquiries or investigations pending, or to its knowledge threatened, against or affecting it in any court or before any governmental authority or arbitration board or tribunal that challenges the validity or enforceability of, or seeks to enjoin performance of, this Agreement or the construction of the Private Improvements or the Designated Improvements, or if successful would materially impair its ability to perform its obligations under this Agreement or to construct or cause to be constructed the Private Improvements or the Designated Improvements.

(f) It is in compliance with State of Ohio campaign financing laws contained in O.R.C. Chapter 3517 and is not subject to an unresolved finding for recovery issued by the Auditor of State as described in O.R.C. Section 9.24.

Section 9. Provision of Information. The Company agrees for itself and all Owners, to (i) cooperate in all reasonable ways with, and provide necessary and reasonable information to, the designated tax incentive review council to enable that tax incentive review council to review and determine annually during the term of this Agreement the compliance of the Owners with the terms of this Agreement; and (ii) to cooperate in all reasonable ways with, and provide necessary and reasonable information to the City to enable the City to submit the status report required by O.R.C. Section 5709.40(I) to the Director of the Ohio Department of Development on or before March 31st of each year.

Section 10. Prevailing Wage. The Company does not intend to construct Designated Improvements as a construction agent of the City, and the Company and the City agree that the construction contracts held by the Company for Designated Improvements constructed by the company or its agents are not subject to the prevailing wage requirements of O.R.C. Chapter 4115. The City may, from time to time, construct some portions of the Designated Improvements, or may authorize another “public authority” (as defined in O.R.C. Section 4115.03(A)), to construct some portions of the Designated Improvements, and such construction is subject to the prevailing wage requirements of O.R.C. Chapter 4115. Accordingly, all wages paid to laborers and mechanics employed by the City or its agents to construct such Designated Improvements must be paid at not less than the prevailing rates of wages of laborers and mechanics for the classes of work called for by such Designated Improvements, which wages must be determined in accordance with the requirements of O.R.C. Chapter 4115. The City agrees to (i) obtain the determination required by O.R.C. Chapter 4115 of the prevailing rates of wages to be paid for all classes of work called for by such Designated Improvements, (ii) designate a prevailing wage coordinator for such Designated Improvements, and (iii) ensure that all subcontractors receive notification of changes in prevailing wage rates as required by O.R.C. Chapter 4115. The City and the Company agree that the Company has no responsibility with respect to prevailing wage requirements of O.R.C. Chapter 4115 for Designated Improvements constructed by the City or its agents.

Section 11. Estoppel Certificate. Within thirty (30) days after a request from the Company or any Owner of a Parcel, the City will execute and deliver to the Company or the Owner or any proposed purchaser, mortgagee, or lessee of that Parcel, a certificate stating that, with respect to that Parcel, if the same is true: (i) this Agreement is in full force and effect; (ii) the requesting Company or Owner is not in default under any of the terms, covenants, or conditions of this Agreement, or, if Company or Owner is in default, specifying such default; and (iii) such other matters as Company or Owner reasonably requests.

Section 12. Notices. Section 13. Successors; Amendments; City Consents; Assignments. This Agreement is binding upon the parties hereto and their successors and assigns, and this Agreement inures to the benefit of the Company and its beneficiaries, successors, and assigns. This Agreement may only be amended by written instrument executed by all parties to this Agreement. Any consent of the City to be given under this Agreement may be given by its fiscal officer or administrator and must be given in writing.

The City and Company may only assign this Agreement with the consent of the other, which consent shall not be unreasonably withheld; provided, however, that Company may, without the consent of the City, (i) assign its rights under this Agreement to an entity controlled by or under common control with the Company, (ii) assign its rights under this Agreement for the purpose of obtaining financing (including any refinancing) for the Designated Improvements or the Private Improvements, which assignment may include an assignment to a governmental issuer of revenue bonds or its trustee for purposes of such financing, (iii) designate an authorized designee to receive all or any portion of the Service Payments payable to the Company pursuant to this Agreement, upon which designation such designee shall receive the portion of Service Payments specified by the Company as if it was the Company under this Agreement, which designation may include an assignment to a governmental issuer of revenue bonds or its trustee for purposes of obtaining financing (including any refinancing), and (iv) assign its right, title, and interest in and to this Agreement as security for the payment of all or any portion of the

Service Payments payable to the Company pursuant to this Agreement to a designee, which assignment may include an assignment to a governmental issuer of revenue bonds or its trustee for purposes of obtaining financing (including any refinancing).

The City shall execute an acknowledgment of any assignment authorized by this Section 13. The City will cooperate with any reasonable assignment request made by the Company in connection with any financing (or refinancing) of the Designated Improvements or the Private Improvements. City agrees upon request of the Company in connection with that financing (or refinancing) to consent to any third-party assignment by the Company of its interest in the TIF Fund.

Nothing in this Agreement prevents an Owner from transferring any or all of its interest in one or more Parcels to another person or entity.

Section 14. Extent of Covenants; No Personal Liability. All covenants, stipulations, obligations and agreements of the parties contained in this Agreement are effective and enforceable to the extent authorized and permitted by applicable law. The obligations of the City may be enforced to the extent permitted by law by mandamus or any suit or proceeding in law or equity. No such covenant, stipulation, obligation or agreement will be deemed a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of any of the parties hereto in their individual capacity. Neither the City, the members of the City Council, nor any City official executing this Agreement, or any individual person executing this Agreement on behalf of the Company, will be liable personally by reason of the covenants, stipulations, obligations or agreements of the City or the Company contained in this Agreement. The obligation to perform and observe the agreements contained herein on the part of the Company shall be binding and enforceable by the City against the Company with respect to (and only to) the Company's interest in its portion of the Parcels and the Private Improvements and the Designated Improvements, or any parts thereof or any interest therein.

Section 15. Events of Default and Remedies.

(a) Any one or more of the following constitutes an "Event of Default" under this Agreement:

(i) The City fails to make any payment punctually and as required under this Agreement;

(ii) The Company or the City fails to perform or observe any material obligation punctually and as due under this Agreement, provided that if a Force Majeure (as such term is defined below) event causes the failure, the Company or the City may receive an additional period of time as is reasonably necessary to perform or observe the material obligation in light of the event if it notifies the other of the Force Majeure event or potential Force Majeure event and the extent of the delay promptly after becoming aware of the event;

(iii) The Company or the City makes a representation or warranty in this Agreement that is materially false or misleading at the time it is made;

- (iv) The Company files a petition for the appointment of a receiver or a trustee with respect to it or any of the Property;
- (v) The Company makes a general assignment for the benefit of creditors;
- (vi) A court enters an order for relief pursuant to any Chapter of Title 11 of the U.S. Code, as the same may be amended from time to time, with the Company as debtor; or
- (vii) The Company files an insolvency proceeding with respect to itself or any proceeding with respect to itself for compromise, adjustment or other relief under the laws of any country or state relating to the relief of debtors.

As used in this Section 15, "Force Majeure" means any event that is not within the control of a party or its affiliates, employees, contractors, subcontractors or material suppliers that delays performance of any obligation under this Agreement including, but not limited to, the following acts: acts of God; fires; epidemics; landslides; floods; strikes; lockouts or other industrial disturbances; acts of public enemies; acts or orders of any kind of any governmental authority; insurrections; riots; civil disturbances; arrests; explosions; breakage or malfunctions of or accidents to machinery, transmission pipes or canals; partial or entire failures of utilities; shortages of labor, materials, supplies or transportation; lightning, earthquakes, hurricanes, tornadoes, storms or droughts; periods of unusually inclement weather or excessive precipitation; or orders or restraints of any kind of the government of the United States or of the State of Ohio (and in the case of a Force Majeure claim by the Company, the City or any departments, agencies, political subdivisions or officials that are not in response to a violation of law or regulations). However, the inability of the City to make any payment required under this Agreement and the inability of the Company to obtain financing for its obligations hereunder are expressly excluded from being a Force Majeure event.

(b) General Right to Cure. In the event of any Event of Default in or breach of this Agreement, or any of its terms or conditions, by any party hereto, the defaulting party will, upon written notice from the other, proceed, as soon as reasonably possible, to cure or remedy such Event of Default or breach, and, in any event, within thirty (30) days after receipt of such notice. In the event such Event of Default or breach is of such nature that it cannot be cured or remedied within said thirty (30) day period, then in such event the defaulting party will upon written notice from the other commence its actions to cure or remedy said breach within said thirty (30) day period, and proceed diligently thereafter to cure or remedy said breach.

(c) Remedies. If a defaulting party fails to cure any Event of Default pursuant to paragraph (b) of this Section 15, a party may institute such proceedings against the defaulting party as may be necessary or desirable in its opinion to cure and remedy such default or breach. Such remedies include, but are not limited to: (i) instituting proceedings to compel specific performance by the defaulting party, (ii) suspending or terminating the obligations of the non-defaulting party under this Agreement, provided the aggrieved party must provide thirty (30) days' notice of any termination to the defaulting party and provided further that the aggrieved party must rescind the termination notice and not terminate the Agreement if the defaulting party cures all Events of Default within a reasonable time thereafter, and (iii) any other rights and remedies available at law, in equity or otherwise to collect all amounts then becoming due or to

enforce the performance of any obligation under this Agreement. The obligations of the City may be enforced to the extent permitted by law by mandamus or any suit or proceeding in law or equity.

Section 16. Mutual Dependency and Severability. All material rights and duties contained in this Agreement are mutually interdependent and one cannot exist independent of another; provided, that if any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision was not contained herein. Furthermore, in lieu of such illegal, invalid, or unenforceable provision, there will be added automatically as a part of this Agreement a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible that is and will be legal, valid, and enforceable.

Section 17. Separate Counterparts; Captions. This Agreement may be executed by the parties hereto in one or more counterparts or duplicate signature pages, each of which when so executed and delivered will be an original, with the same force and effect as if all required signatures were contained in a single original instrument. Any one or more of such counterparts or duplicate signature pages may be removed from any one or more original copies of this Agreement and annexed to other counterparts or duplicate signature pages to form a completely executed original instrument. Captions have been provided herein for the convenience of the reader and shall not affect the construction of this Agreement.

Section 18. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the matters covered herein and supersedes prior agreements and understandings between the parties.

Section 19. Governing Law and Choice of Forum. This Agreement will be governed by and construed in accordance with the laws of the State of Ohio. All claims, counterclaims, disputes and other matters in question among the City, its employees, contractors, subcontractors and agents, and the Company, its employees, contractors, subcontractors and agents arising out of or relating to this Agreement or its breach will be decided in a court of competent jurisdiction within the County of Madison, State of Ohio.

Section 20. Additional Documents. The City, Company and their respective successors, assigns and transferees agree to execute any further agreements, documents, or instruments as may be reasonably necessary to fully effectuate the purpose and intent of this Agreement.

Section 21. Release. Upon satisfaction of the Company's obligations under this Agreement and the expiration of the TIF Exemptions under the TIF Ordinance, or the termination of the obligations of the Owners to make the Service Payments by operation of law or otherwise, the City shall, upon request of the Company or of any individual Owner, execute an instrument in recordable form evidencing such satisfaction or termination.
