*Councilman Stahl* – Thanks everyone for coming out tonight. Discussed about tree trimming and cleaning up the trees in town.

*Councilman Norman* – Thank everyone for coming out tonight. Asked everyone to be nice to each other.

*Councilman Hitt* – Appreciate everyone working hard to pass tonight's legislation. I'm looking forward to watching the new Police Department come to life.

*Councilman Hays* – Council did a hell of a job tonight. There's no room in public/politics for what we witnessed Saturday evening (Trump shooting). I'd like to thank all city employees for doing a great job.

*Councilman McDaniels* – Thank everyone for coming out tonight and watching on YouTube. It's great to see that we are working toward making all of our departments great again.

*Councilman Eades* – I'm asking each Council member to walk their wards and help clean up. Let's help the city look very nice.

Chief Nicols – I'd like to thank Council for approving tonight's legislation and look forward to getting to work on the new police department.
