London City Council Service Committee Meeting December 7, 2022

Attending: Chairman Bryan Robinson, Committee Member Greg Eades, Safety Service Director Rex Castle, Recreation Director Landon McKenzie, Steet Superintendent Bill Long, Brent McDaniels.

The meeting was called to order by Chairman Robinson at 602PM.

The minutes of the previous meeting were reviewed, and were accepted by a 2-0 vote.

Recreation Department

Landon McKenzie submitted the Monthly report.(see attached report)

Highlights of the report: Overhead lights at the swimming pool have been converted to LED lights to save on electric and provide brighter lights. Cost was $3,400

Basketball: 297 registered players. Games played in the Community Center, and Championship games will be on January 14th. The revenue so far has been: Registrations-$21,480, Admissions-$3,937, Concessions-$680.

Parks- 3 trash cans for Merri Mac have been delivered. New Christmas lights purchased for Cowling, and were hung.

Spring volleyball- To be held at London City Schools. More information will be given later.

Councilman Eades- Any new programs planed? McKenzie advises there will be "open court" at the Sand Volleyball Court beside the pool. They will gauge interest for Adult Softball Leagues, and will work on the Merri Mac fields. There will be water Aerobics again at the pool.

Street Department- Bill Long submitted a 1 page list of activities performed in the last month.(attached)

Highlights: Tree work: Cleaned up trees on the bike trail, moved trees from Lafayette to Merri Mac Park, cleaned up tree in Hospital ditch, other tree work performed.

Hung Christmas decorations, and hung Christmas lights.

Had water main repaired on Elm St.

Cleaned trash up at various City locations and on Lafayette Street.

Worked on traffic light and camera at Lafayette & Keny,

Cleaned catch basins, and worked on Storm Sewers.

Councilman Eades – Any word on having Midway Street be used as a truck route? Rex Castle advises that they met with the Asst Superintendent of ODOT and proposed a solution to have St Rte 38 extended to High along Midway, and have St Rte 665 extend the length of Center street, and the City would then be responsible for Main Street north of Garfield.

Councilman Eades- Any word on the Light at Center and Mina, and moving the stopping point back away from Main a little?/Bill Long advises that is ODOT responsibility.

Councilman Eades asked about the costs of the Pedestrian Crosswalk equipment? Rex advises the equipment costs were $89,000, and the installation will cost $77,000.

Chairman Robinson asked if there is a timeline to complete the Pedestrian Crosswalks. Bill advises that the equipment is not in yet, and once it has been received Capital Electric can work on a schedule.

The next Service Committee Meeting will be January 4th.

The meeting adjourned at 651PM.

Respectfully submitted,

Councilman Greg Eades

Approved 2-0 1-4-23

Public Service Committee
12/7/2022

1. Swimming Pool
    a. Over head light work has been completed by MCE
        i. All lights were converted to LED to help save on electric as well as make it brighter when in use
