Safety Service Committee
20 S. Walnut Street

Minutes
June 14, 2022

Committee members present: Chairman Rich Hays, Andrew Hitt and John Stahl
City representatives in attendance: Mayor, Patrick Closser; Safety Service Director, Rex Castle; Fire/EMS Chief, Todd Eades; Police Lieutenant, Donavon Cooper; Council President Henry Comer
Community members present: Michael Norman and Steve Miller

Mr. Hitt called the meeting to order at 5:04pm.

The minutes of the May 10, 2022 meeting were approved as written.

Lieutenant Cooper – London Police Division - Report attached

Chief Eades – London Division of Fire/EMS - Report attached

New Business
Zoning change from R3 to PUD
A zoning change from an R3 to a PUD was requested by the PulteGroup. Plans are being presented for a 236-home development to be built between Lafayette and East High Street. This change would allow more customization within the development. Different styles of house starting at a $300,000 price point will be offered.

Mr. Hitt made a motion to create legislation requesting a zoning change from an R3 to a PUD to be presented to City Council for consideration. Mr. Stahl seconded the motion and it passed unanimously.

Old Business - none presented

The next Safety Service Committee meeting will take place on July 12, 2022 at 5:00pm at City Hall.

The meeting adjourned at 5:45pm

Respectfully submitted by: Rich Hays

Public Safety Committee Brief
June 14, 2022

- We organized, along with London Elementary School, our community's first ever Safety Town event. It was held over four mornings for 3 hours each and covered several safety topics for kindergarten and first graders. Approximately 40 children attended.
- A grant application was submitted for an equipment project under the OCJS JAG-LE funding. The award decision will not be known until late 2022. The city cost, if awarded, would be less than $5000 for a total project award of just under $20,000. The main focus of the equipment was a total data capture unit, which is utilized in capturing video of crime, crash and training scenes and events.
- Several required CPT training classes were held at City Hall for countywide LE officers over the past month. There will be future classes held to complete the mandatory 24 hours of training.
- Andrew D. Myers will be sworn in next week as an officer and start his training at CPD's basic academy later in the month.
- We assisted the London schools with the LMS color run, the 2nd grade field trip to LPD, the LHS graduation and we participated in the Light Ohio Blue cruiser caravan through central Ohio.

NOTABLE INCIDENTS:

A pursuit of a stolen truck on May 12th at 2:30am resulted in the arrest of Owen Hammel, 19, of Covington, Ky. Hammel crashed the vehicle on Old Xenia Rd near SR 38 after officers attempted to stop him for reckless driving on W High St.

Another pursuit of a stolen construction vehicle, F550 dually pickup, was initiated on May 19th at approximately 1:10pm on E Center St. The pursuit traveled into Pickaway, Fayette and back into Madison County before the driver lost control during a box in maneuver on SR 38 south of the city and was apprehended without incident. Assistance in the pursuit included Madsion and Fayette SO and OSP units. The driver, Justin A. Patterson, 39, Columbus, was charged with several felonies and was also wanted in connection to Union County thefts and had warrants for Receiving Stolen Property in Franklin County.
