Safety Service Committee

City Hall Conference Room
February 11, 2020

Committee members present: Chairman Rich Hays and Carla Blazier

City representatives in attendance: Police Chief, Glenn Nicol; Fire/EMS Chief, Todd Eades; Mayor, Patrick Closser; Safety Service Director, Joseph Mosier; Street Superintendent, Bill Long; Street Worker, Josh Rice and Executive Assistant, Amy Rees

Mr. Hays called the meeting to order at 6:00pm.

The minutes of the January 14, 2020 meeting were approved as written.

Chief Nicol
Report attached.

Chief Eades
Report attached.
Additional items:

- Mrs. Blazier moved to allow the Safety Service Director to apply for and receive funds from the Ohio Emergency Medical Services grant. Mr. Hays seconded the motion and it passed.
- Mrs. Blazier moved to allow the Safety Service Director to apply for and receive funds from the Fire Department Equipment Grant. Mr. Hays seconded the motion and it passed.
    - Mrs. Blazier will sponsor both items for City Council's consideration.
- A part-time fire inspector is now being used. Future grant monies have the potential to reimburse this cost.
- The department is working with the LPD to more efficiently respond to threats of suicide.
- Chief Eades stated that the city should be consistent in assigning additional addresses to one location. For example, 123 ½ vs 132 a. The policy will be reviewed.

Joe Mosier

- EMS will be reassessing their fees due to higher Medicare rates.
- MCEMD replied to the city's public records request for a statement of fees for services received in 2019 for 2018 services. (see attached). According to their statement, $23,191.51 is the outstanding balance owed to the city. The committee approved the amount and Mr. Mosier will be contacting the county for payment.
- An invoice for water usage prior to MCEMD vacating the facility at 40 E. Center has not been paid. The Law Director sent a letter about possible legal action addressing a prior the public records request and the unpaid water bill.
- The boundaries of the city must be reviewed (see attached). Addresses in and out of the city are different and having uneven boundaries creates issues with police jurisdiction.
- Mr. Mosier will appoint Tom Hale, the city's Building Official, as the Floodplain Administrator. Mr. Hale has proposed that he also be appointed Zoning Administrator. A decision on the issue has not been made.
- Food Truck legislation and an application (see atchement) has been created. Both will be sent to the committee for review.

Old Business

- The displays located at the city limits, welcoming travelers to London, have signs honoring individuals for various accomplishments. Mayor Closser stated the need for guidelines regarding who gets recognized at these locations. Mr. Hays and Mr. Hitt will work together to create the criteria.

New Business

- A right-a-way permit has been created to add to the Street Opening permit already in place. The Law Director will be consulted to see if the new legislation can be adopted or if the old legislation can be amended.
- Mr. Long requested that new developments be required to have one extra set of street signs to use when existing ones are damaged. Currently, they are only required to purchase one set. He is also requesting that they be required to purchase extra poles for the signs.
- Mrs. Rees and Mr. Long are working to create legislation to regulate city festivals. City departments will be asked to create fees for services and equipment use. A draft will be presented at the next Safety Service meeting.

The next Safety Service Committee meeting will take place on March 10, 2020 at 6:00pm in the City Hall conference room.

The meeting adjourned at 7:32pm.

Respectfully submitted by:
Amy Rees

MEMORANDUM OF UNDERSTANDING
Between the Madison County Emergency Squad and City of London

This Memorandum of Understanding is between Madison County Emergency Squad and the City of London. In December 2018 the City of London withdrew from the Madison County Emergency Squad. The City was to be paid their portion of proceeds for runs conducted in 2018 and paid for in 2019. The breakdown is as follows:

1) Total amount collected in January and February 2019 for 2018 runs total $68,360.63
City of London percentage of this is $26,284.86
6% collection fee $1,577.08
City of London percentage of December invoices received on January $4,846.27
Owed to City of London $20,608.28

2) March City of London percent of collection $2,333.60

3) April City of London percent of collection $ 249.63

4) Total $23,191.51

Further collections from 2018 have been negligible. Therefore $23,191.51 will be the payment in full for the City of London's percent share of monies collected for 2018 runs by the Madison County Emergency Squad.

By signing below, I understand the statements above. The agreement must be received and signed by the Recipient Agency's authorized official accepting and agreeing to the terms set forth above.
