August 13, 2026

Huntsville ISD Families,

We are pleased to announce that Huntsville ISD has received our 2025–26 state accountability ratings, and we are proud to share that we have shown significant improvement across the district. Most notably, we improved by a full letter grade in our overall district accountability rating.

This progress reflects the hard work and dedication of our students, teachers, campus leaders, staff, and families. Throughout the 2025–26 school year, we remained focused on strengthening instruction, improving campus and district systems, all while providing the support our students need to succeed.

The Texas Education Agency's accountability system provides a broad picture of student and school performance and includes measures such as:

- Overall accountability rating
- Academic achievement and performance on state assessments
- School progress and student academic growth
- Closing the Gaps among student groups
- Graduation rates and College, Career, and Military Readiness (CCMR), where applicable

While we are proud of the progress reflected in these results, we also recognize that our work is not finished. These gains represent an important step forward, and we will continue to build on this momentum by strengthening instructional practices, improving systems, and accelerating student achievement.

It is also important to remember that an accountability rating is one measure of school performance. We will use these results, along with other student and school data, to celebrate progress, identify areas of need, and guide our continued improvement efforts. This progress is a testament to what is possible when we work together with a shared commitment to our vision of **Building Champions: Every One, Every Day**.

Starting tomorrow, we encourage families to visit [TXSchools.gov](https://txschools.gov) to review the accountability information for our district and individual campuses. Thank you for your continued partnership, support, and belief in Huntsville ISD. Together, we will continue building on this progress and moving Huntsville ISD forward.

Sincerely,

Huntsville Independent School District

Building Champions. Every One. Every Day.
