

MARCH 2026

CR-B COMMUNITY SCHOOL

NEWSLETTER

Dear Parents/Guardians,

This newsletter marks the final edition of the 2025–2026 school year. Our principals are incredibly proud of the many accomplishments and achievements of our students, both in academics and activities, throughout the year. Their dedication and hard work have truly stood out, and they have represented our school extremely well.

The final weeks of school have been filled with celebrations recognizing our students' successes. We were especially excited to honor our seniors at the Graduation Ceremony which was held on May 17th. This has been a wonderful group of students, and we wish them all the best in their future endeavors. They have made a lasting and meaningful impact on our school community.

As mentioned last month, several renovation projects will take place over the summer. These improvements will not interfere with our regular summer activities. Since many staff members are away during this time, email will be the most effective way to reach anyone you may need to contact.

We hope you and your children have a safe, relaxing, and enjoyable summer!

Mr. Ridder

ELEMENTARY

Dear Families,

It's hard to believe we're only a couple of weeks away from the end of the 2025-2026 school year! There are a few important dates to keep in mind as we wrap things up:

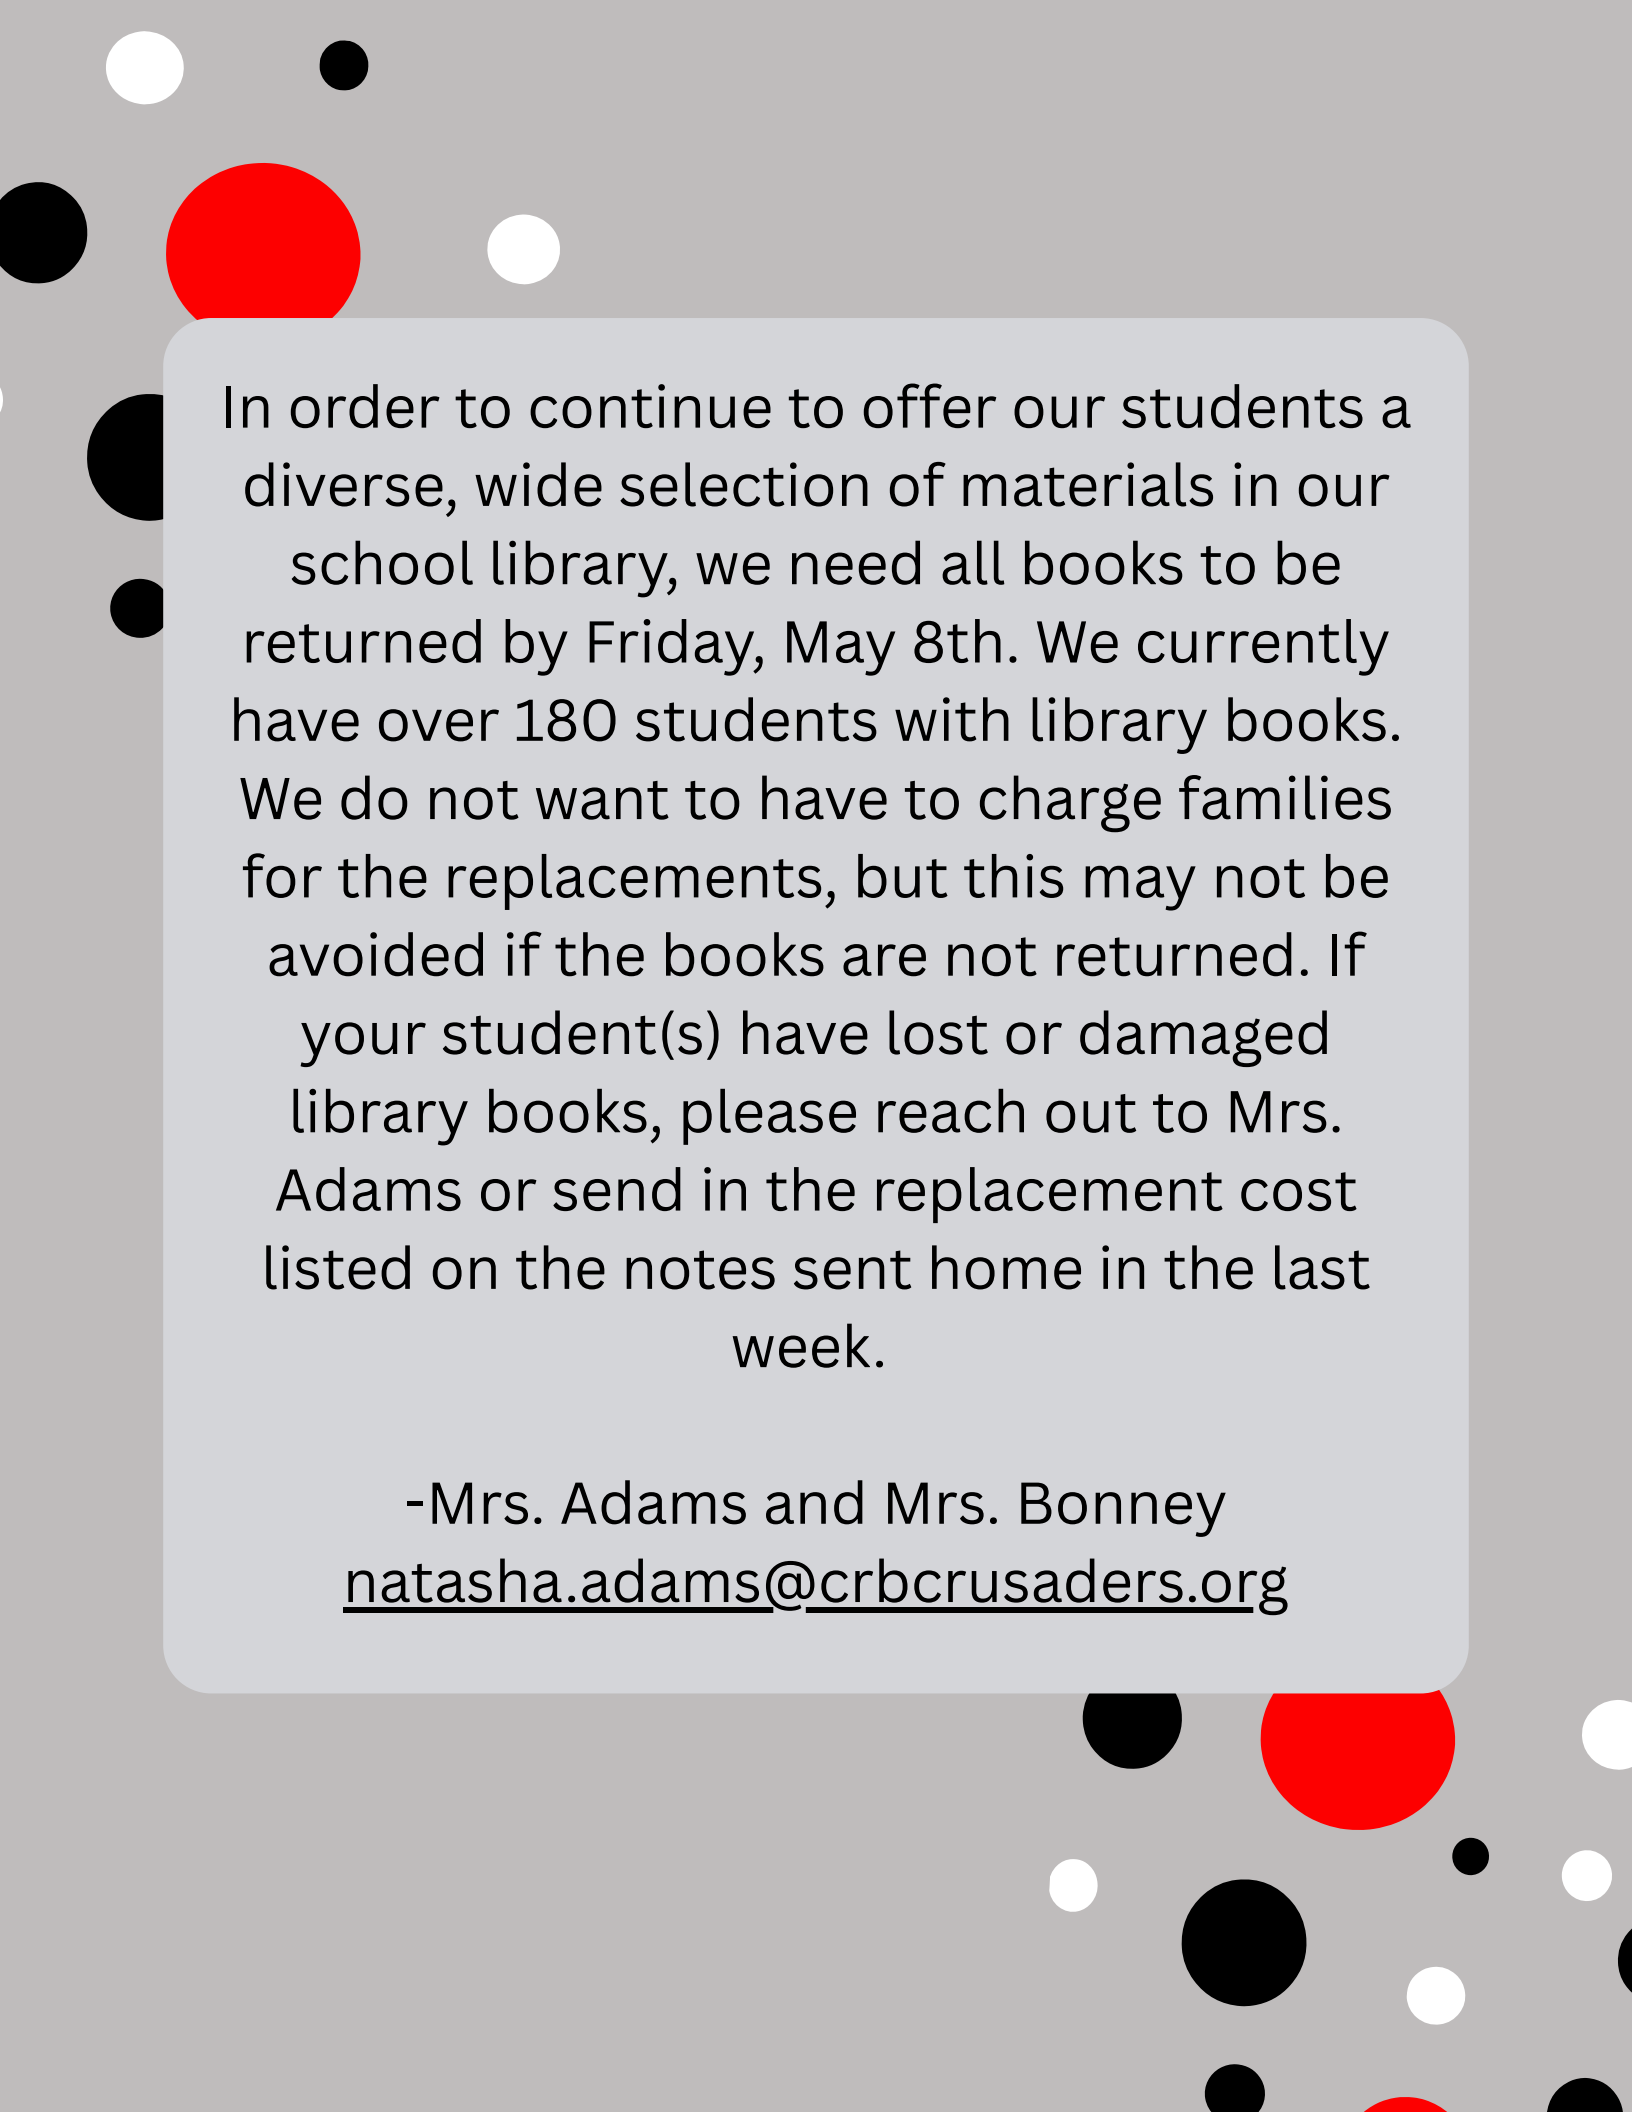

Tuesday, May 19

- PK to the Dedham Park; Last day of PK

Thursday, May 21

- Last day of school - 12:45 Dismissal!

Mrs. Sigler

In order to continue to offer our students a diverse, wide selection of materials in our school library, we need all books to be returned by Friday, May 8th. We currently have over 180 students with library books. We do not want to have to charge families for the replacements, but this may not be avoided if the books are not returned. If your student(s) have lost or damaged library books, please reach out to Mrs. Adams or send in the replacement cost listed on the notes sent home in the last week.

-Mrs. Adams and Mrs. Bonney
