Our high school offers a comprehensive college preparatory curriculum enrolling 300+ students in grades 9-12. IC Imagine follows the NC Standard Course of Study requirements, which includes standard, honors and Advanced Placement courses, as well as additional elective and school-specific expectations.

Our academic calendar is organized on an alternating day block schedule in which academic courses are completed over the course of a school year. This schedule provides continuity in instruction and increased instructional time.

ADVISORY COHORTS

Students are assigned an advisory class lead by a faculty member. Students remain in the same advisory for their entire tenure and classes meet each morning. This structure enable students to develop a strong relationship with an adult who can see the broader academic, social and emotional health of each advisee.

COMMUNITY SERVICE

Students are encouraged to complete 40 hours of community service by graduation. IC Imagine arranges opportunities throughout the year to enable students to achieve this goal.
