| Bloomfield Public Schools

**Tracy A. Youngberg, Ed.D.**
Superintendent of Schools

February 3, 2026

Dear Bloomfield Community,

A little over a year ago, the school district published a letter stating its legal and moral stance on immigration enforcement in our schools. While the letter was written in preparation for the increased likelihood of immigration enforcement, we could not have predicted some of the recent events that have occurred in Minnesota and other locations across the country. Today, I am writing to ensure the Bloomfield community of our continued commitment to the physical and emotional well-being of our students, as well as their privacy. Both federal and state law protects our students' right to a free public education regardless of immigration status. We are also committed to ensuring all children feel welcomed, respected and valued within our schools. To that end, Bloomfield Public Schools will not permit members of the U.S. Department of Homeland Security, which includes Immigration and Customs Enforcement (ICE) and Customs and Border Protections (CPB), to enter our school buildings without the necessary judicial warrants.

Following the recommendations of Public Act No. 25-1, Section 1, each of our schools have at least two individuals designated to interact with immigration agents. Schools have been directed not to allow these agents into the building and to notify Central Office if they arrive. It is then my responsibility to work with our legal counsel to determine if the immigration agents have the judicial warrants that are mandated to enter the school. To date, I am happy to report that there have been no immigration enforcement activities on our school campuses.

In closing, our staff remain committed to supporting our students and their families through this very challenging time. We encourage our families to review the immigration resources we have established on our district website. BPS Family Immigration Resources. Thank you.

Sincerely,

Tracy A. Youngberg
Superintendent of Schools
