November 6, 2026

Dear Carmen Arace Middle School (CAMS) Families,

This communication serves to notify the CAMS Community of a change in leadership at Carmen Arace Middle School. For personal reasons, Ms. Diana Bunting has resigned from her position as Principal of Carmen Arace Middle School and accepted an Instructional Coach position at Bloomfield High School, effective November 9, 2026. We wish Ms. Bunting well as she continues her more than 20 years of committed service to the Bloomfield Public Schools.

Ms. Bunting's resignation has allowed Ms. Anjanee Wright to be recalled to the role of CAMS Principal effective Monday, November 23, 2026. As you may remember, Ms. Wright was one of the employees laid off last spring as a result of the reduction in force created by the significantly reduced 26-27 district budget. Ms. Laura Curley-Colon will remain as the Principal of Record for Carmen Arace Middle School, along with the support of the district leadership team, until Ms. Wright returns.

In addition to previously holding the position of Principal of CAMS during the 2025-2026 school year, Ms. Anjanee Wright has held several leadership roles across K–12 settings, including the District Coordinator of Extended Learning and Family Engagement for Bloomfield Public Schools. In this role, she led districtwide enrichment initiatives, coordinated afterschool programs, cultivated strategic partnerships, and launched Bloomfield's first Welcome Center to better serve families. Her leadership experience includes being the Dean of Students at Global Experience Magnet School and Thelma Ellis Dickerson's Jumoke Academy, where she spearheaded restorative practices, professional development, and student intervention programming. With a strong foundation as an Instructional Coach, MTSS Coordinator, and English Language Arts teacher, Ms. Wright was also known for creating inclusive learning environments, building capacity among educators, and aligning systems that supported both academic growth and social-emotional development during her tenure at CREC Academy of Aerospace and Engineering. These vast experiences, as well as her connections to the Bloomfield community, will most certainly support her ability to provide stability and direction for CAMS students, staff and families.

I want to thank you for your continued patience and partnership as we work through the leadership transition. We are in the planning stages of a CAMS Parent Informational Session and Meet & Greet with Principal Wright. Once these plans are finalized, information will be shared with the CAMS Families. Please do not hesitate to reach out to me with questions or concerns.

Sincerely,

Tracy A. Youngberg

Tracy A. Youngberg, Ed.D.
Superintendent of Schools
