## PRINCIPAL MESSAGE:

Hello, Metacomet Families,

Pollen is in the air and allergy season is here! Please check with your pediatrician regarding seasonal allergy symptom management at home. A friendly reminder of Bloomfield Public School policies regarding pink eye also known as conjunctivitis. If your child woke up with one or both eyes red, sealed with discharge, the eyes itchy or painful, he/she should stay home and be seen by their healthcare provider. If prescribed an antibiotic eye drop/ointment, he/she may return to school after 24 hours of medication. Please send in a note from your healthcare provider. If you have any questions or concerns, please feel free to contact Mrs. Labrie.

## GRADE 3:

- Open Court Reading: Theme: ANIMALS AND THEIR HABITATS
  - Foundational Skills: The students will learn that the suffix *-ness* (means state of being): *kindness, sweetness*
  - Reading and Responding: The students will continue to read the story, "*Is This Panama*". The students will learn how to summarize this story.
  - Language Arts: Students will create a final version of their explanatory text.
- Bridges Math: MULTIPLICATION, DIVISION and AREA
  - Students will solve multiplication and division problems

## GRADE 4:

- Open Court Reading: Theme: ADAPTATIONS IN ACTION
  - Foundational Skills: The students will learn and use the prefix *co-* (coworker, copilot, cofounder...)
  - Reading and Responding: The students will read the non fiction text, "*Masters of Illusion*". Students learn different ways that animals camouflage themselves.
  - Language Arts: The students will receive peer feedback on their writing piece before they go back and edit.
- Bridges Math: GEOMETRY and MEASUREMENT
  - Students will measure angles and determine angle measurement based upon the given information.
