- Kleenex tissues

What NOT to bring:

- **NO** phones, smartwatches, headphones, or any other electronics.
- If you bring these, you **WILL** turn them in as you walk in the room
- You will not be able to access them until the exam is over
- **NO** textbooks, scratch paper, dictionaries, notes, colored pencils, or highlighters
- **NO** hats - new rule from College Board!
- If you are wearing a hoodie, the hood can NOT be up
- **NO** stylus/Apple pencil
- **The room space is limited, so avoid bringing bulky bags/backpacks.** This will speed up entry and exit!

Tips for Success:

- Know your College Board login – you cannot test without this!
- Know your testing location. If you arrive after the test begins, you cannot enter.
- Do not stay up late and cram the night before the test, relax - you have prepared for an entire year. Getting a good night's sleep is worth more than a few hours of crazed studying.
- Eat a good breakfast and drink plenty of fluids to stay energized. You can eat and drink during the break, but you cannot eat or drink during the test.
- If you have a commitment after the test, we cannot release you until the testing period is officially over (even if you finish your test early). Generally, morning tests will end no sooner than **11:30am** and afternoon tests around **3:30pm**.

Other Reminders:

- This is a national schedule set by the College Board; we **cannot** be flexible on the day or start time for exams.
- You **cannot** leave an exam early, so please plan accordingly if you have after-school commitments.
- If you arrive after testing begins, you **cannot** enter the room (College Board rule).
- If your exam is digital, you **MUST** know your College Board login/password (we do **NOT** have access to this information).
- If you want to cancel an exam, do so before test day. **NO** refunds will be given for cancelling on/after test day.
- If you are sick on test day, you must email Janet Lane or call 509-354-6941.

On Exam Day:

- Be to your assigned testing room by **7:30am** or **11:30am.**
- Begin lining up in alphabetical order (**based on last name**).
- Have your **ID** out and ready.
- Have your testing materials out of your backpack.
- Once in the room, put your backpack against the front wall & cell phones on the front table (turned off, not just silenced). You won't be able to access any of these items, take your supplies and snacks/water with you.
- If you are seen with any unapproved electronics during the test, the entire room's exams may be invalidated.
- Go to your seat as quickly as possible and get situated.
- Listen to all directions.
- If you finish your exam early, sit quietly until dismissed (we suggest you review your test answers). **Do not disturb other students**.
