English 8 Summer 8th Grade English Assignment

Peperzak Middle School

Welcome to 8th Grade English!

We believe that building a solid foundation for the fall begins in the summer.

Students who read over the summer not only increase reading fluency, vocabulary, and comprehension, but they tend to have better grades in the coming school year. Grab some good books, find a cozy spot in the shade, and give yourself a jumpstart on success. Students who turn this assignment in will be invited to take part in a celebration for summer reading at the end of September. **Have fun!**
