- Backgrounds should be plain and not detract from the student; if the student is next to a tree, brick wall, or other item, the focus should be the student's face
- No hands or sunglasses obscuring parts of a student's face
- No props, pets, or other faces
- Students must wear appropriate school clothing; no hats or hoods
- All files must be submitted as .JPEGs
- Color images only. No black and white photos
- Do not send hard copies or prints
